This Prospectus has been approved by the Luxembourg *Commission de Surveillance du Secteur Financier* (the "**CSSF**") as competent authority under the EU Prospectus Regulation for the purpose of giving information with regard to the admission to trading of the Notes on the regulated market of the Luxembourg Stock Exchange. Investors should make their own assessment as to the suitability of investing in the Notes.

Application has been made for the Notes to be admitted to the Official List of the Luxembourg Stock Exchange and to trading on the regulated market of the Luxembourg Stock Exchange. This Prospectus constitutes a single prospectus for the purposes of the EU Prospectus Regulation.

This Prospectus must be read in conjunction with all documents deemed to be incorporated by reference (see "Documents Incorporated by Reference") and shall be construed accordingly.

No person has been authorised to give any information or to make any representation not contained or incorporated by reference in this Prospectus and, if given or made, such information or representation must not be relied upon as having been authorised by the Issuer or the Dealer. This Prospectus does not relate to any securities other than the Notes or constitute an offer to any person in any jurisdiction where such offer would be unlawful. Delivery of this Prospectus at any time does not imply that the information in this Prospectus is correct as of any time subsequent to its date.

MLBV accepts responsibility for the information contained in this Prospectus, excluding the information set out under "Bank of America Corporation" on pages 89 to 92 and statements in respect of BAC under "General Information" on pages 98 to 100 (together, the "**MLBV Information**"). BAC accepts responsibility for the information contained in the Prospectus and confirms that the information contained in the MLBV Information is, to the best of the knowledge of BAC, in accordance with the facts and makes no omission likely to affect its import. BAC confirms that the MLBV Information has been accurately reproduced, and as far as BAC has been able to ascertain from MLBV no facts have been omitted which would render the MLBV Information inaccurate or misleading.

The Dealer has not separately verified the information contained herein. Accordingly, no representation, warranty, or undertaking, express or implied, is made and no responsibility is accepted by the Dealer as to the accuracy or completeness of the information contained in this Prospectus or any other information provided by the Issuer. The Dealer does not accept any liability in relation to the information contained in this Prospectus or any other information provided by the Issuer in connection with this Prospectus.

Neither this Prospectus nor any other information supplied in connection herewith is intended to provide the basis of any credit or other evaluation, and any recipient of this Prospectus should not consider such receipt to be a recommendation to purchase any Notes. Each investor contemplating purchasing any Notes should make its own independent investigation of the financial condition and affairs of the Issuer, and its own appraisal of the creditworthiness of the Issuer. The Dealer does not undertake to review the financial condition or affairs of the Issuer during the life of the arrangements contemplated by this Prospectus or to advise any investor or potential investor in the Notes of any information coming to the attention of the Dealer.

This Prospectus does not describe all of the risks and investment considerations (including those relating to each investor's particular circumstances) of an investment in the Notes. See "Risk Factors". Investors should consult their own financial, legal, tax, and other professional advisors as to the risks and investment considerations arising from an investment in an issue of Notes and should possess the appropriate resources to analyse such investment and the suitability of such investment to such investor's particular circumstances.

Each potential investor in the Instruments must determine the suitability of that investment in light of its own circumstances. In particular, each potential investor should:

- (a) have sufficient knowledge and experience to evaluate the Instruments, the merits and risks of investing in the Instruments and the information contained or incorporated by reference in this Prospectus or any applicable supplement and all the information contained in the Issue Terms;
- (b) have access to, and knowledge of, appropriate analytical tools to evaluate, in the context of its particular financial situation, an investment in the Instruments and the impact the Instruments will have on its overall investment portfolio;
- (c) have sufficient financial resources and liquidity to bear all of the risks of an investment in the Instruments, including Instruments with amounts payable in one or more currencies, or where the Settlement Currency or Specified Currency of the Instruments is different from the potential investor's currency;

- (d) have knowledge of and access to appropriate analytical resources to analyse quantitatively the effect (or value) of any redemption, cap, floor, or other features of the Instruments, and the resulting impact upon the value of the Instruments;
- (e) understand thoroughly the terms of the Instruments and be familiar with any relevant indices and financial markets; and
- (f) be able to evaluate (either alone or with the help of a financial adviser) possible scenarios for economic, interest rate and other factors that may affect its investment and its ability to bear the applicable risks.

The Instruments are complex financial instruments. A potential investor should not invest in Instruments unless it has the expertise (either alone or with a financial adviser) to evaluate how such Instruments will perform under changing conditions, the resulting effects on the value of those Instruments and the impact this investment will have on the potential investor's overall investment portfolio.

The Notes have not been, and will not be, registered under the Securities Act or under any U.S. state securities laws. The Notes are subject to United States tax law requirements and may not be offered, sold, or delivered within the United States or to U.S. persons.

No action is being taken to permit the offering of the Notes or the distribution of this Prospectus in any jurisdiction where such action is required.

The distribution of this Prospectus and the offer of Notes may be restricted by law in certain jurisdictions. Accordingly, the Notes may not be offered or sold, directly or indirectly, and neither this Prospectus nor any advertisement or other offering material may be distributed or published in any jurisdiction, except under circumstances that will result in compliance with any applicable laws and regulations, and the Dealer has represented that all offers and sales by it will be made on the same terms. Persons into whose possession this Prospectus or any Notes come must inform themselves about, and observe, any such restrictions. In particular, there are restrictions on the distribution of this Prospectus and the offer or sale of Notes in the United States and certain other jurisdictions. See the section "Offering and Sale" below.

Nothing herein should be considered to impose on the recipient of this Prospectus any limitation on disclosure of the tax treatment or tax structure of the transactions or matters described herein.

No person has been authorised to give any information or make any representation not contained in or not consistent with this Prospectus, or any other information supplied in connection with the Notes and, if given or made, such information or representation must not be relied upon as having been authorised by the Issuer or any Dealer.

By investing in the Notes each investor represents that:

- (a) **Non-Reliance.** It is acting for its own account, and it has made its own independent decisions to invest in the Notes and as to whether the investment in the Notes is appropriate or proper for it based upon its own judgement and upon advice from such advisers as it has deemed necessary. It is not relying on any communication (written or oral) of the Issuer, Guarantor or the Dealer as investment advice or as a recommendation to invest in the Notes, it being understood that information and explanations related to the "Note Conditions" shall not be considered to be investment advice or a recommendation to invest in the Notes. No communication (written or oral) received from the Issuer, Guarantor or the Dealer shall be deemed to be an assurance or guarantee as to the expected results of the investment in the Notes.

It is also capable of assuming, and assumes, the risks of the investment in the Notes.
- (c) **Status of Parties.** None of the Issuer, Guarantor or the Dealer is acting as fiduciary for or adviser to it in respect of the investment in the Notes.

IMPORTANT - PROHIBITION OF SALES TO EEA RETAIL INVESTORS - The Notes are not intended to be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any retail investor in the European Economic Area ("**EEA**"). For these purposes, a "**retail investor**" means a person who is one (or more) of: (i) a retail client as defined in point (11) of Article 4(1) of MiFID II; (ii) a customer within the meaning of Directive (EU) 2016/97, as amended or superseded (the "**Insurance Distribution Directive**"), where that customer would not qualify as a professional client as defined in point (10) of Article 4(1) of MiFID II; or (iii) not a qualified investor as defined in the EU Prospectus Regulation. Consequently, no key information document required by Regulation (EU) No 1286/2014 (as amended or superseded, the "**EU PRIIPs Regulation**") for offering or selling the Notes or otherwise making them available to retail investors in the EEA has been prepared and therefore offering or selling the Notes or otherwise making them available to any retail investor in the EEA may be unlawful under the EU PRIIPs Regulation.

RISK FACTORS

An investment in the Instruments involves substantial risks and is a riskier investment than an investment in ordinary debt or equity securities.

Each of MLBV and BAC (in its capacity as Guarantor) believes that the following factors may affect its ability to fulfil its obligations in respect of the Instruments and/or are material for the purpose of assessing the market risks associated with the Instruments. All of these factors are contingencies which may or may not occur, and neither MLBV nor BAC is in a position to express a view on the likelihood of any such contingency occurring.

*Each of MLBV and BAC (in its capacity as Guarantor) believes that the factors described below and those incorporated by reference from the BAC 2022 Annual Report (as defined herein) under the caption "Item 1A. Risk Factors" represent the principal risks inherent in investing in the Instruments but the inability of the Issuer to pay any cash amounts in connection with any cash settled instruments ("**Cash Settled Instruments**") may occur for other reasons and the Issuer does not represent that the statements below regarding the risks of holding the Instruments are exhaustive. Additional risks and uncertainties not presently known to MLBV or BAC or that MLBV or BAC currently believes to be immaterial could also have a material impact on its business operations or the Instruments. Prospective investors should also read the detailed information set out elsewhere in this Prospectus and reach their own views prior to making any investment decision.*

Terms used in this section and not otherwise defined shall have the meanings given to them in the "Terms and Conditions of the Notes".

FACTORS THAT MAY AFFECT THE ISSUER'S AND GUARANTOR'S ABILITY TO FULFIL ITS OBLIGATIONS UNDER THE NOTES

BAC is the ultimate parent company of the Bank of America group of companies (BAC and its consolidated subsidiaries, the "**Group**"). BofA Finance, MLBV and MLICo. are part of the Group, and, as such, may be affected by uncertain or unfavourable economic, market, legal and other conditions that are likely to affect BAC as a whole.

MLBV is a finance vehicle whose principal purpose is to raise debt or enter into financial contracts to assist the financing activities of their affiliates. Accordingly, MLBV has no trading assets or generates any significant net income.

The payment obligations under Instruments issued by MLBV are guaranteed unconditionally and irrevocably pursuant to the MLBV/MLICo. Guarantee. As a result, if the Guarantor's financial condition were to deteriorate, the value of such Instruments may be adversely affected and MLBV and investors in such Instruments may suffer direct and materially adverse consequences. Accordingly, prospective investors in such Instruments should review, *inter alia*, the factors below regarding BAC, the Group (as defined above) and the Group's businesses and industry, which may affect the Issuer's ability to repay its obligations and BAC's ability to fulfil its obligations under the MLBV/MLICo. Guarantee.

As a large, international financial services company, the Guarantor and its subsidiaries and affiliates face risks that are inherent in the business and market places in which they operate. Material factors that could affect the Guarantor's businesses, results of operations and financial condition and the Guarantor's ability to fulfil its obligations include, but are not limited to, market, liquidity, credit, geopolitical, business operations, regulatory, compliance and legal, reputation and other risks. Except as otherwise specified below, references to page numbers in this section are to the page numbers of the BAC 2022 Annual Report:

When used in this Prospectus, and as required by the context, "BAC" may refer to Bank of America Corporation individually, Bank of America Corporation and its consolidated subsidiaries or certain of Bank of America Corporation's subsidiaries or affiliates, individually or collectively.

Payments on the Instruments are subject to the credit risk of the Issuer and BAC, in its capacity as the Guarantor, and actual or perceived changes in the Issuer's or BAC's creditworthiness are expected to affect the value of the Instruments.

The amounts payable on the Instruments at maturity or redemption are dependent upon the ability of the Issuer and BAC, in its capacity as the Guarantor, to repay their respective obligations on the applicable maturity date or redemption date. If the Issuer and BAC, in its capacity as the Guarantor, are not able to fulfil their respective obligations under the Instruments to Holders, investors will be unsecured and will not have the protection of the FDIC, the U.S. Deposit Insurance Fund, the UK Financial Services

Compensation Scheme or any other government or governmental agency, or insurance protection scheme in any jurisdiction. In such case, the return on the Instruments will be reduced and may be zero. No assurance can be given as to what the financial condition of the Issuer or BAC, in its capacity as the Guarantor, will be on the applicable maturity date or redemption date. If the Issuer and BAC, in its capacity as Guarantor, become unable to meet their respective obligations under the Instruments at maturity or redemption, investors may not receive the amounts payable under the terms of the Instruments.

Furthermore, the value of the Instruments is expected to be affected, in part, by investors' general appraisal of the Issuer's or BAC's creditworthiness and actual or anticipated changes in the Issuer's or BAC's credit ratings prior to the maturity date or redemption date may adversely affect the value of the Instruments. Such perceptions are generally influenced by the ratings accorded to BAC's outstanding securities by standard statistical rating services. A reduction (or anticipated reduction) in the rating, if any, accorded to outstanding debt securities of BAC by one of these rating agencies could result in a reduction in the trading value of the Instruments. As the return on the Instruments depends upon factors in addition to the ability of the Issuer or BAC, in its capacity as the Guarantor, to pay its respective obligations, an improvement in these credit ratings will not reduce the other investment risks related to such Instruments. A credit rating is not a recommendation to buy, sell, or hold any of the Instruments and may be subject to suspension, change, or withdrawal at any time by the assigning rating agency.

BAC's ability to make payments under its Guarantee will depend upon its receipt of funds from its subsidiaries, and applicable law and regulations, and actions taken under BAC's resolution plan, could restrict the ability of its subsidiaries to transfer such funds

BAC is a holding company and conducts substantially all of its operations through its subsidiaries. BAC's ability to make payments under the MLBV/MLICo. Guarantee, depends upon its receipt from its subsidiaries of dividends and other distributions, loans, advances and other payments. Any inability of these subsidiaries to pay dividends or make payments to BAC may adversely affect its cash flow and financial condition. Many of these subsidiaries, including bank and broker-dealer subsidiaries, are subject to laws that restrict dividend payments or authorize regulatory bodies to block or reduce the flow of funds from those subsidiaries to BAC or to its other subsidiaries. In addition, BAC's bank and broker-dealer subsidiaries are subject to restrictions on their ability to lend or transact with affiliates and to minimum regulatory capital and liquidity requirements. Lower earnings in BAC's subsidiaries can reduce the amount of funds available to BAC as a holding company. Adverse business and economic conditions could affect BAC's businesses and results of operations, including changes in interest and currency exchange rates, illiquidity or volatility in areas where we have concentrated credit risk, and a failure in or breach of our operational or security systems or infrastructure. Intercompany arrangements BAC has entered into in connection with its resolution planning could restrict the amount of funding available to it from its subsidiaries under certain adverse conditions, as described below under "—A resolution under BAC's preferred single point of entry resolution strategy could materially adversely affect BAC's liquidity and financial condition and BAC's ability to pay its obligations on its securities and its ability to make payments under the MLBV/MLICo. Guarantee." These restrictions could prevent BAC's subsidiaries from paying dividends or making other distributions to BAC or otherwise providing funds to BAC that it needs in order to make payments under the MLBV/MLICo. Guarantee. In addition, BAC's right to participate in any distribution of assets of any of its subsidiaries upon such subsidiary's liquidation or otherwise, will be subject to the prior claims of creditors of that subsidiary, except to the extent that any of BAC's claims as a creditor of such subsidiary may be recognised.

A resolution under BAC's preferred single point of entry resolution strategy could materially adversely affect BAC's liquidity and financial condition and BAC's ability to pay its obligations on its securities and its ability to make payments under the MLBV/MLICo. Guarantee

BAC, as the parent holding company, is required periodically to submit a plan to its primary regulatory authorities describing BAC's resolution strategy under the U.S. Bankruptcy Code in the event of material financial distress or failure. BAC's preferred resolution strategy is a "single point of entry" ("SPOE") strategy, whereby only BAC (the parent holding company) would file for bankruptcy under the U.S. Bankruptcy Code. Certain key operating subsidiaries would be provided with sufficient capital and liquidity to operate through severe stress and to enable such subsidiaries to continue operating or be wound down in a solvent manner following a BAC bankruptcy. BAC has entered into intercompany arrangements resulting in the contribution of most of its capital and liquidity to these key subsidiaries. Pursuant to these arrangements, if BAC's liquidity resources deteriorate so severely that resolution

becomes imminent, BAC will no longer be able to draw liquidity from its key subsidiaries, and will be required to contribute its remaining financial assets to a wholly-owned holding company subsidiary. This could adversely affect BAC's liquidity and financial condition, including the ability to meet its payment obligations, including on the BAC Notes and the Guarantees, and the ability to return capital to its shareholders, including through the payment of dividends and repurchase of BAC's common stock. In addition, BAC's preferred resolution strategy could result in holders of BAC's securities, including the MLBV/MLICo. Guarantee, being in a worse position and suffering greater losses than would have been the case under bankruptcy or other resolution scenarios or plans.

If the FDIC and U.S. Board of Governors of the Federal Reserve System (the "**Federal Reserve Board**") jointly determine that BAC's resolution plan is not credible, they could impose more stringent capital, leverage or liquidity requirements or restrictions on BAC's growth, activities or operations. BAC could also be required to take certain actions that could impose operating costs and result in the divestiture of assets or restructuring of businesses and subsidiaries.

Additionally, under Title II of the Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 (the "**Financial Reform Act**"), when a global systemically important banking organisation ("**G-SIB**"), such as BAC, is in default or danger of default, the FDIC may be appointed receiver to conduct an orderly liquidation of such institution. In the event of such appointment, the FDIC could, among other things, invoke the orderly liquidation authority, instead of the U.S. Bankruptcy Code, if the Secretary of the U.S. Department of Treasury makes certain financial distress and systemic risk determinations. In 2013, the FDIC issued a notice describing its preferred "single point of entry" strategy for resolving a G-SIB. Under this approach, the FDIC could replace BAC with a bridge holding company, which could continue operations and result in an orderly resolution of the underlying bank, but whose equity would be held solely for the benefit of BAC's creditors. The FDIC's single point of entry strategy may result in holders of the MLBV/MLICo. Guarantee suffering greater losses than would have been the case under a bankruptcy proceeding or a different resolution strategy with respect to payments received under the MLBV/MLICo. Guarantee.

If BAC is resolved under the U.S. Bankruptcy Code or the FDIC's orderly liquidation authority, third-party creditors of BAC's subsidiaries may receive significant or full recoveries on their claims while security holders of BAC, including holders of the MLBV/MLICo. Guarantee, could face significant or complete losses.

BAC is subject to the Federal Reserve Board's final rules requiring U.S. global systemically important organisations ("G-SIBs") holding companies to maintain minimum amounts of long-term debt meeting specified eligibility requirements

Commencing January 1, 2019, under the TLAC Rules, U.S. G-SIBs, including BAC, are required to, among other things, maintain minimum amounts of eligible LTD and other loss-absorbing capacity for the purpose of absorbing BAC's losses in a resolution proceeding under the U.S. Bankruptcy Code or Title II of the Financial Reform Act. Any senior long-term debt issued must include terms required by the TLAC Rules in order to qualify as eligible LTD. Actions required to comply with the TLAC Rules could impact BAC's funding and liquidity risk management plans.

BAC's obligations under the MLBV/MLICo. Guarantee will be structurally subordinated to liabilities of BAC's subsidiaries

Because BAC is a holding company, its right to participate in any distribution of the assets of any subsidiary (including MLBV) upon such subsidiary's liquidation or reorganisation or otherwise, is subject to the prior claims of creditors of that subsidiary, except to the extent that BAC may itself be recognised as a creditor of that subsidiary. As a result, BAC's obligations under the MLBV/MLICo. Guarantee will be structurally subordinated to all existing and future liabilities of BAC's subsidiaries, and claimants under the MLBV/MLICo. Guarantee should look only to BAC's assets for payment. Further creditors of BAC's subsidiaries recapitalised pursuant to BAC's resolution plan generally would be entitled to payment of their claims from the assets of the subsidiaries, including BAC's contributed assets. In addition, any obligations of BAC under the MLBV/MLICo. Guarantee will be unsecured and, therefore, in a bankruptcy or similar proceeding, will effectively rank junior to BAC's secured obligations to the extent of the value of the assets securing such obligations.

Claimants under the MLBV/MLICo. Guarantee could be at greater risk of being structurally subordinated if BAC sells or conveys all or substantially all of its assets to one or more of its majority-owned subsidiaries

If BAC sells or conveys all or substantially all of its assets to one or more direct or indirect majority-owned subsidiaries of BAC, the subsidiary or subsidiaries will not be required to assume BAC's obligations under the MLBV/MLICo. Guarantee, and BAC will remain the sole obligor on the MLBV/MLICo. Guarantee. In such event, creditors of any such subsidiary or subsidiaries would have additional assets from which to recover on their claims while claimants under the MLBV/MLICo. Guarantee would be structurally subordinated to creditors of such subsidiary or subsidiaries with respect to such assets.

The U.S. banking regulators have adopted rules mandating the inclusion of contractual stay provisions in certain financial contracts, which are intended to mitigate the risk of destabilising closeouts of such contracts on the resolution of BAC and its subsidiaries. The inclusion of these provisions into the Instruments could materially adversely affect the rights of Holders against the Issuer and the Guarantor

In the fall of 2017, the Federal Reserve Board, the FDIC and the U.S. Office of the Comptroller of the Currency issued rules ("**QFC Stay Rules**") designed to improve the resolvability and resilience of U.S. G-SIBs and the U.S. operations of foreign G-SIBs, by mitigating the risk of destabilising closeouts of qualified financial contracts ("**QFCs**") in resolution. BAC and its subsidiaries, including MLBV, are "covered entities" subject to the QFC Stay Rules. Certain of the Instruments and the MLBV/MLICo. Guarantee may qualify as QFCs.

The QFC Stay Rules seek to eliminate impediments to the orderly resolution of a G-SIB both in a scenario where resolution proceedings are instituted by the U.S. regulatory authorities under the U.S. Federal Deposit Insurance Act or the Orderly Liquidation Authority under Title II of the Financial Reform Act ("**OLA**") (together, the "**U.S. Special Resolution Regimes**"), as well as in a scenario where the G-SIB is resolved under ordinary insolvency proceedings under applicable bankruptcy or insolvency laws. To address this, the QFC Stay Rules require covered entities to ensure that their QFCs subject to the QFC Stay Rules (i) contain an express contractual recognition of the statutory stay-and-transfer provisions of the U.S. Special Resolution Regimes and (ii) do not contain cross-default rights against the covered entity based on an affiliate becoming subject to any type of insolvency proceeding or restrictions on the transfer of any related credit enhancements (including a guarantee) issued by an affiliate of the covered entity following that affiliate's entry into insolvency proceedings.

Acknowledgement of U.S. Special Resolution Regimes

To address the QFC Stay Rules requirements, the Instruments contain an express contractual recognition that in the event the Issuer or the Guarantor becomes subject to a proceeding under a U.S. Special Resolution Regime, the transfer of the Instruments or the MLBV/MLICo. Guarantee will be effective to the same extent as the transfer would be effective under such U.S. Special Resolution Regime. In addition, the Instruments contain an express contractual recognition that in the event the Issuer, the Guarantor, or any of their affiliates becomes subject to a proceeding under a U.S. Special Resolution Regime, default rights against the Issuer or the Guarantor with respect to the Instruments or the MLBV/MLICo. Guarantee are permitted to be exercised to no greater extent than they could be exercised under such U.S. Special Resolution Regime. For this purpose, "default rights" include the right to terminate, liquidate or accelerate a QFC or demand payment thereunder, and may, therefore, include the right of a Holder to exercise an Investor Put.

Under current law, BAC, as a Delaware corporation and U.S. entity, and its subsidiary, BofA Finance LLC, as a Delaware limited liability company and U.S. entity, are eligible to be placed into proceedings under OLA if certain determinations are made by the applicable U.S. regulatory authorities. However, MLBV is not eligible to be placed into proceedings under the U.S. Special Resolution Regimes as each is a non-U.S. entity. For more information, please see the risk factors "*A resolution under BAC's preferred single point of entry resolution strategy could materially adversely affect BAC's liquidity and financial condition and BAC's ability to pay its obligations on its securities and its ability to make payments under the MLBV/MLICo. Guarantee*", "Resolution Planning" on page 6 of the BAC 2022 Annual Report on Form 10-K, "Insolvency and the Orderly Liquidation Authority" on page 6 of the BAC

2022 Annual Report on Form 10-K and the risk factors under the caption "*Item 1A Risk Factors – Liquidity*" on pages 9 to 11 of the BAC 2022 Annual Report on Form 10-K.

In an Insolvency, there may be a transfer of the MLBV/MLICo. Guarantee

The Instruments explicitly provide that the MLBV/MLICo. Guarantee may be transferred to another entity as transferee upon or following the Guarantor becoming subject to a resolution, restructuring, reorganisation or similar proceeding. This is not limited to a proceeding under a U.S. Special Resolution Regime, and would also include, for example, a proceeding under Chapter 11 of the U.S. Bankruptcy Code. It is possible, although not required, that in connection with a resolution or restructuring of the Guarantor, the Guarantor (or the relevant insolvency official) may seek to transfer certain of its guarantee to another entity.

Holders may be affected by the risk that the obligations of the Guarantor may be transferred to another entity in the event the Guarantor enters into resolution, restructuring or similar proceedings or that the obligations of the Guarantor under the MLBV/MLICo. Guarantee will not be transferred to another entity while other liabilities and assets of the Guarantor are transferred in connection with such measures

Investors should be aware that the taking of resolution measures with respect to the Guarantor or even the suggestion of the potential taking of resolution measures in respect of the Guarantor could have a material adverse effect on the rights of Holders, and could lead to a loss of some or all of the investment. Holders may not be able to anticipate the exercise of any resolution measures and will have very limited rights to challenge such measures, even where such measures have resulted in the transfer of the MLBV/MLICo. Guarantee.

FACTORS WHICH ARE MATERIAL FOR THE PURPOSE OF ASSESSING THE MARKET RISKS ASSOCIATED WITH THE INSTRUMENTS

5. Risks Relating to the Instruments Generally

Investors risk losing all of their investment in the Instruments

An investor may also lose some or all of its investment if it seeks to sell the relevant Instruments prior to their scheduled maturity and the sale price of the Instruments in the secondary market is less than the initial investment or the relevant Instruments are subject to certain adjustments in accordance with the terms and conditions of such Instruments that may result in the scheduled amount to be paid or asset(s) to be delivered upon redemption being reduced to or being valued at an amount less than an investor's initial investment.

The Instruments are unsecured obligations

The Notes issued by MLBV will be unsecured and unsubordinated obligations of MLBV and will rank equally with all of MLBV's other unsecured and unsubordinated obligations from time to time outstanding, except obligations, including deposit liabilities, that are subject to any priorities or preferences by law.

The obligations of the Guarantor under the MLBV/MLICo. Guarantee, save for such exceptions as may be provided by applicable laws and regulations or judicial order, will rank pari passu with its other present and future unsecured and unsubordinated obligations.

The yield on the Instruments may be less than the yield on a conventional debt security of comparable maturity

Any yield that an investor may receive on the Instruments, which could be negative, may be less than the return an investor would earn if the investor purchased a conventional debt security with the same maturity date. As a result, an investment in the Instruments may not reflect the full opportunity cost to an investor when factors that affect the time value of money, such as inflation, are considered.

Movements in the level or price of a Reference Item will affect the performance of the Instruments

The level or price of the Reference Item may be subject to significant fluctuations that may not correlate with changes in interest rates, currencies or other indices and the timing of changes in the relevant level or price of the Reference Item. This may affect the actual yield to investors, even if the average level or price of the Reference Item during the life of the Instruments is consistent with investors' expectations. In general, the earlier the change in the level or price of the Reference Item, the greater the effect on the yield of the Instruments.

Leverage will magnify the effect of changes in the Reference Item

If the formula used to determine any amount payable and/or non-cash consideration deliverable contains a multiplier or leverage factor, then the percentage change in the value of the Instrument will be greater than any positive and/or negative performance of the Reference Item(s). Any Instruments which include such multiplier or leverage factor represent a very speculative and risky form of investment since any change in the value of the Reference Item(s) carries the risk of a correspondingly higher change in the value of the Instruments.

If a Currency Substitution Event with respect to the Instruments occurs, adjustments may be made to the economic terms of the Instruments which may result in a reduced investment return

In the event of a Currency Substitution Event, the Issuer may (a) make adjustments to the economic terms of the Instruments, including, without limitation, to the calculation and payment terms or (b) redeem the Instruments early on such day as shall be notified to the Holders at an early redemption amount that accounts for the Currency Substitution Event. Any such action may reduce the value of the Instruments and may result in the amounts paid under the Instruments being less than what would have been if the adjustments had not been made or the early redemption had not occurred, and may be less, or significantly less, than the initial investment.

The Issuer may make certain modifications to the Instruments without the consent of the Holders

The Conditions provide that the Agent and the Issuer may, without the consent of Holders, agree to (i) any modification (subject to certain specific exceptions) of the Instruments or the English Law Agency Agreement (as defined in the "**Terms and Conditions of the Notes**") which is not prejudicial to the interests of the Holders or (ii) any modification of the Instruments or the English Law Agency Agreement which is of a formal, minor or technical nature or is made to correct a manifest error or proven error or to comply with mandatory provisions of law.

At meetings of Holders, the decision of the majority will bind all Holders

The English Law Agency Agreement and the Conditions contain provisions for calling meetings of Holders to consider matters affecting their interests generally. These provisions permit defined majorities to bind all Holders, including Holders who did not attend and vote at the relevant meeting and Holders who voted in a manner contrary to the majority.

There may be conflicts of interest between the Issuer, the Guarantor, the Dealer and/or their respective Affiliates and the Holders

The Issuer, the Guarantor the Dealer and/or any of their respective Affiliates or agents may engage in activities (including financial or other business transactions) that may result in conflicts of interests between their and their respective Affiliates' or agents' financial interests on the one hand and the interests of the Holders on the other hand. In the ordinary course of their business activities, the Issuer, the Dealer and/or any of their respective Affiliates or agents may make or hold a broad array of investments and actively trade debt and equity securities (or related derivative securities) and financial instruments (including bank loans) for their own account and for the accounts of their customers. These investments and securities activities may involve securities and/or instruments of the Issuer and/or the Guarantor or their Affiliates. The Dealer or its Affiliates that have a lending relationship with the Issuer and/or the Guarantor routinely hedge their credit exposure to the Issuer and/or the Guarantor consistent with their customary risk management policies. The Dealer or its Affiliates may also make investment recommendations and/or publish or express independent research views in respect of other instruments and may hold, or recommend to clients that they acquire, long and/or short positions in such instruments.

From time to time during the term of any Instruments and in connection with the determination of the payments on the Instruments, the Issuer or its Affiliates also may enter into hedging transactions or adjust

or close out existing hedging transactions. The Issuer or its Affiliates also may enter into hedging transactions relating to other Instruments that the Issuer may issue, some of which may have returns calculated in a manner related to that of a particular Series of Instruments. The Issuer would not seek competitive bids for such arrangements from unaffiliated parties. The Issuer or its Affiliates will price these hedging transactions with the intent to realise a profit, considering the risks inherent in these hedging activities, whether the value of the Instruments increases or decreases. However, these hedging activities may result in a profit that is more or less than initially expected, or could result in a loss.

Where the Instruments are offered to third parties, as the Dealer and any distributors act pursuant to a mandate granted by the Issuer and they receive fees on the basis of the services performed and the outcome of the placement of the Instruments, potential conflicts of interest could arise. The Dealer, their agents and their Affiliates may engage in financial or other business transactions with the Issuer in the ordinary course of business.

In addition, the Calculation Agent is an Affiliate of the Issuer and in such capacity may make certain determinations and calculate amounts payable to Holders. The Calculation Agent may make such determinations using data which is not easily obtainable by a Holder of the Instruments. Under certain circumstances, the Calculation Agent, as an Affiliate of the Issuer and its responsibilities as calculation agent for the Instruments could give rise to potential conflicts of interest between the Calculation Agent and the Holders. As BAC controls the Calculation Agent, potential conflicts of interest could arise.

The secondary market price of the Instruments may be less than the Issue Price

Investors should note that, in certain circumstances immediately following the issue of the Instruments or at any time prior to maturity, the secondary market price of the Instruments may be less than the Issue Price, reflecting the fees to be paid to distributor(s) included in the Issue Price, hedging and other costs for the Instruments, if applicable, changes to the Issuer's or the Guarantor's credit spreads. These factors, together with various credit, market and economic factors over the term of the Instruments, are expected to reduce the price at which an investor may be able to sell the Instruments in any secondary market and will affect the value of the Instruments in complex and unpredictable ways. See also "There may be conflicts of interest between the Issuer, the Guarantor, the Dealer and/or their respective Affiliates and Holders" above.

A United States withholding tax may be imposed on certain payments made to the Issuer in which case the Issuer may be entitled to redeem or cancel the Instruments prior to maturity

A 30 per cent. United States withholding tax may be imposed on certain United States source payments made to a foreign financial institution, unless such institution enters into an agreement with the U.S. Treasury to collect and provide to the U.S. Treasury substantial information regarding United States account holders, including certain account holders that are foreign entities with United States owners, with such institution. An Instrument may constitute an account for these purposes.

If the Issuer determines in good faith that it has, or there is a substantial likelihood that it will, become subject to withholding imposed on a payment made to it on account of the relevant Issuer's inability to comply with the legislation's reporting requirements (provided that such inability to comply with the reporting requirements is attributable to non-compliance by any Holder of such Instruments (or a foreign withholding agent (if any) in the chain of custody of payments made to the Holders) with the relevant Issuer's requests for certifications or identifying information), it may redeem or cancel the Instruments held by non-compliant and compliant Holders at their Early Redemption Amount.

In the case of illegality as determined by the Issuer, and to the extent permitted by applicable law, the Issuer may redeem or cancel the Instruments, as applicable

If the Issuer determines that the performance of its obligations under the Instruments has or will become illegal in whole or in part for any reason, then the Issuer may redeem or cancel the Instruments, as applicable.

If, in the case of illegality and to the extent permitted by applicable law, the Issuer redeems or cancels the Instruments, then the Issuer will redeem each Note at the Early Redemption Amount together (if appropriate) with interest accrued to (but excluding) the date of redemption.

A United States federal withholding tax may be imposed on payments made by the Issuer with respect to the Instruments to certain holders

A 30 per cent. United States withholding tax may be imposed on certain payments made by a foreign financial institution that enters into an agreement with the United States Department of the Treasury (the "U.S. Treasury") to collect and provide to the U.S. Treasury substantial information regarding United States account holders, including certain account holders that are foreign entities with United States owners, with such institution. An Instrument may constitute an account for these purposes.

Pursuant to U.S. Treasury regulations, the 30 per cent. United States withholding tax may be imposed on (i) United States source payments made by the Issuer or any Paying Agent with respect to the Instruments and (ii) non-United States source payments made after the second anniversary of the date of publication in the United States Federal Register of final regulations defining the term "foreign passthru payment" by the Issuer or any Paying Agent with respect to the Instruments in each case to "recalcitrant holders", which are generally holders that do not comply with the Issuer's request for information to enable it to comply with the tax legislation, and to non-compliant foreign financial institutions. In the event withholding is required under the legislation, neither the Issuer nor any Paying Agent will pay any Additional Tax Amounts with respect to the amount so withheld.

The value of the Instruments could be adversely affected by a change in English law or administrative practice or a by a change in New York law

The Conditions of the Instruments are based on English law in effect as at the date of issue of the relevant Instruments. The MLBV/MLICo. Guarantee is based on the laws of the State of New York in effect as at the date of issue of the Instruments. No assurance can be given as to the impact of any possible judicial decision or change to English law or administrative practice or change to the laws of the State of New York, as applicable, after the date of issue of the Instruments and any such change could materially adversely impact the value of, or the amounts paid under, any Instruments affected by it.

Events for which acceleration rights under the Notes may be exercised are more limited than those available pursuant to the terms of the Issuer's outstanding senior debt securities issued prior to 1 January 2017

In response to the TLAC Rules, BAC, among other things, limited the circumstances under which the payment of the principal amount of senior debt securities can be accelerated by the holders. MLBV also limited the circumstances under which the payment of the principal amount of the MLBV Notes issued under the Programme on or after 24 January 2017 can be accelerated by the holders (unless specified otherwise in the Issue Terms).

MLBV's outstanding senior notes issued prior to 24 January 2017, including outstanding senior notes issued by MLBV under the Programme prior to such date (the "**Pre-2017 Senior Debt Securities**"), provide acceleration rights for non-payment or bankruptcy. The Pre-2017 Senior Debt Securities issued by MLBV also provide acceleration rights if the Guarantor defaults in the performance of its covenants in the applicable guarantee or the applicable agency agreement.

However, payment of the principal amount of Notes of MLBV issued on or after 24 January 2017:

- may be accelerated only (i) if the Issuer defaults in the payment of the principal of or interest on those Notes and, in each case, the default continues for a period of 30 days, or (ii) upon the Issuer's voluntary or involuntary bankruptcy and, in the case of the Issuer's involuntary bankruptcy, the default continues for a period of 60 days; and
- may not be accelerated, in the case of MLBV Notes, if the Guarantor defaults in the performance of any other covenants contained in the applicable guarantee or the applicable agency agreement.

As a result of these differing provisions, if the Guarantor, in the case of MLBV Notes, breaches or otherwise defaults in the performance of a covenant (other than a payment covenant) that is applicable to the Notes MLBV and the Pre-2017 Senior Debt Securities, the Pre-2017 Senior Debt Securities would have acceleration rights that would not be available to the holders of Notes of MLBV. In addition, if BAC fails to pay principal when due with respect to the Pre-2017 Senior Debt Securities, an event of default would occur immediately with respect to the Pre-2017 Senior Debt Securities (and the exercise

of acceleration rights could proceed immediately in accordance with the provisions of the applicable agency agreement as in effect at the time of their issuance). Any repayment of the principal amount of Pre-2017 Senior Debt Securities following the exercise of acceleration rights in circumstances in which such rights are not available to the holders of the Notes of MLBV, could adversely affect the Issuer's ability to make timely payments on the Notes of MLBV thereafter.

Notes for which the Specified Currency is other than U.S. Dollars permit the Issuer to make payments in U.S. Dollars if the Issuer determines the Specified Currency is unavailable

The terms of any Notes for which the Specified Currency is other than U.S. Dollars provide that the Issuer has the right to make a payment in U.S. Dollars instead of the Specified Currency, if at or about the time when the payment on the Notes comes due, the Specified Currency is subject to unavailability resulting from convertibility, transferability, market disruption, or other conditions affecting its availability because of circumstances beyond the Issuer's control, as set out in 8(B) (*Unavailability of Currency*) of the Terms and Conditions of the Notes. These circumstances could include the imposition of exchange controls, economic sanctions or the Issuer's inability to obtain the Specified Currency because of a disruption in the currency markets for the Specified Currency, or unavailability because the Specified Currency is no longer used by the government of the relevant country or for settlement of transactions by public institutions of or within the international banking community. In addition, if the Specified Currency for a Note has been replaced by a new currency, the Issuer will have the option to choose whether it makes payments on such Note in the replacement currency or in U.S. dollars. In either case, the exchange rate used to make payments in U.S. Dollars may be based on limited information and would involve significant discretion on the part of the Issuer's exchange rate agent that will determine the amount of U.S. Dollars to be paid, and which may be an affiliate of the Issuer. As a result, the value of the payment in U.S. Dollars may be less than the value of the payment that would have been received in the Specified Currency if the Specified Currency had been available, which could adversely affect the value of, return on and market for the affected Notes. The exchange rate agent generally will not have any liability for its determinations. Any payment in respect of Notes so made in U.S. dollars where the required payment is in an unavailable Specified Currency will not constitute an Event of Default.

Notes issued by MLBV will not have the benefit of any cross-default or cross-acceleration with other indebtedness of MLBV or BAC; events of bankruptcy or insolvency or resolution proceedings relating to BAC and covenant breach by BAC will not constitute an event of default with respect to the guaranteed Notes of MLBV

Notes issued by MLBV will not have the benefit of any cross-default or cross-acceleration with other indebtedness of MLBV or BAC. In addition, events of bankruptcy or insolvency or resolution or similar proceedings relating to BAC will not constitute an event of default with respect to the Notes of MLBV that are guaranteed by BAC. Furthermore, it will not constitute an event of default with respect to the Notes of MLBV if the guarantee thereof by BAC ceases to be in full force and effect for any reason. Therefore, events of bankruptcy or insolvency or resolution or similar proceedings relating to BAC (in the absence of any such event occurring with respect to MLBV) will not permit the Notes of MLBV to be declared due and payable. In addition, a breach of a covenant by BAC (including, for example, a breach of BAC's covenants with respect to mergers or the sale of all or substantially all its assets), will not permit the Notes of MLBV to be declared due and payable. The value investors receive on these Notes may be significantly less than what they otherwise would have received had the Notes been declared due and payable immediately upon certain events of bankruptcy or insolvency or resolution or similar proceedings relating to BAC or the breach of a covenant by BAC or upon BAC's Guarantee ceasing to be in full force and effect.

6. Risks Relating to the Market Generally

Set out below is a brief description of the principal market risks, including liquidity risk, exchange rate risk, interest rate risk and credit risk that may have an impact on an investment in the Notes.

Many factors will determine the price of the Instruments in the secondary market and such market may be illiquid

It is not possible to predict the price at which the Instruments will trade in the secondary market or whether such market will be liquid or illiquid. Each Issuer may, but is not obliged to, list or admit to trading an issue of Instruments on a securities exchange or market. If the Instruments are not listed or

admitted to trading on any securities exchange or market, pricing information for the Instruments may be more difficult to obtain and the liquidity of the Instruments may be adversely affected. If the Issuer does list or admit to trading an issue of Instruments, there can be no assurance that at a later date, the Instruments will not be delisted or that trading on such securities exchange or market will not be suspended. In the event of a de-listing or suspension of listing or trading on a securities exchange or market, the Issuer will use its reasonable efforts to list or admit to trading the Instruments on another securities exchange or market, unless it concludes it would be unduly burdensome to do so.

The Issuer cannot assure holders of the Instruments that a trading or secondary market for their Instruments will develop or, if one develops, it will be maintained.

The Issuer, the Guarantor, or any of its Affiliates may, but is not obliged to, at any time purchase Instruments at any price in the open market or by tender or private treaty for their own account for business reasons or in connection with their hedging arrangements. Any Instruments so purchased may be held or resold or surrendered for cancellation. The Issuer, the Guarantor, or any of its Affiliates may, but is not obliged to, be a market-maker for an issue of Instruments. Even if the Issuer or such other entity is a market-maker for an issue of Instruments, the secondary market for such Instruments may be limited and any market-maker may discontinue making a market for such Instruments at any time without giving notice. These activities may affect the price of such obligations or securities in a manner that would be adverse to a Holder's investment in the Instruments. The Issuer, the Guarantor and its Affiliates have not considered, and are not required to consider, the interests of investors as Holders in connection with entering into any of the above mentioned transactions.

The market value of the Instruments may be less than the principal amount of the Instruments. The market for, and market value of, the Instruments may be affected by a number of factors. These factors include:

- (a) the method of calculating amounts payable, including any dividend rates or yield or other securities or financial instruments applicable to the securities payable, or other consideration, if any, in respect of the Instruments;
- (b) the time remaining to the redemption of the Instruments;
- (c) the aggregate amount or number of Instruments outstanding;
- (d) the redemption or repayment features of the Instruments;
- (e) the level, direction and volatility of market interest rates generally;
- (f) the general economic conditions of the capital markets, as well as geopolitical conditions and other financial, political, regulatory and judicial events that affect the financial markets generally, may affect the value of the Instruments;
- (g) any market-making activities with respect to the Instruments; and
- (h) the possibility that investors may be unable to hedge their exposure to risks relating to their Instruments.

In addition, certain Instruments may be designed for specific investment objectives or strategies and, therefore, may have a more limited secondary market and experience more price volatility. Holders may not be able to sell such Instruments readily or at prices that will enable them to realise their anticipated yield. No investor should purchase Instruments unless such investor understands and is able to bear the risk that such Instruments may not be readily saleable, that the value of such Instruments will fluctuate over time, that such fluctuations may be significant and that such investor may lose all or a substantial portion of the purchase price of the Instruments.

Often, the only way to obtain liquidity in respect of a Holder's investment in an issue of Instruments prior to maturity will be to sell such Instruments. At that time, there may be a very illiquid market for the Instruments or no market at all. For Instruments that have specific investment objectives or strategies, the applicable trade market may be more limited, and the price may be more volatile, than for other Instruments. Holders may not be able to sell such Instruments readily or at prices that will enable them to realise their anticipated yield. To the extent that an issue of Instruments is or becomes illiquid, an investor may have to wait until the Maturity Date of such Instruments to realise value. If an investor

sells its Instruments prior to maturity, it may lose some or all of its investment. No investor should purchase Instruments unless such investor understands and is able to bear the risk that such Instruments may not be readily saleable, that the value of such Instruments will fluctuate over time, that such fluctuations may be significant, and that such investor may lose all or a substantial portion of the purchase price of the Instruments.

Investors may be subject to foreign exchange exposure and the Instruments may become subject to exchange controls

The Issuer will pay the Final Redemption Amount in respect of the Instruments in the Settlement Currency or Specified Currency specified in the Issue Terms. This presents certain risks relating to currency conversions if an investor's financial activities are denominated principally in a currency or currency unit (the "**Investor's Currency**") other than the Settlement Currency or Specified Currency, as applicable (the "**Settled Currency**"). These include the risk that exchange rates may significantly change (including changes due to devaluation of the Settled Currency or revaluation of the Investor's Currency) and the risk that authorities with jurisdiction over the Investor's Currency may impose or modify exchange controls. An appreciation in the value of the Investor's Currency relative to the Settled Currency would decrease (i) the Investor's Currency-equivalent yield on the Instruments, (ii) the Investor's Currency equivalent value of the Final Redemption Amount in respect of the Instruments and (iii) the Investor's Currency equivalent market value of the Instruments. These risks generally depend on factors over which BAC has no control, such as economic and political events and the supply of and demand for the relevant currencies in the global markets. In recent years, exchange rates between many currencies have been highly volatile. This volatility may continue and could spread to other currencies in the future.

Government and monetary authorities may impose exchange controls (as some have done in the past) that could adversely affect an applicable exchange rate. As a result, the Final Redemption Amount that investors may receive may be less than expected or zero.

Except in connection with a Currency Substitution Event, as described herein, the Issuer may not make any adjustment in or change to the terms of the Instruments for changes in foreign currency exchange rates that may affect such Instruments, including any devaluation, revaluation, or imposition of exchange or other regulatory controls or taxes, or for other developments affecting the relevant currency or currencies. Consequently, investors will bear the risk that their investment may be affected adversely by these types of events.

Government policy can adversely affect currency exchange rates and an investment in an Instrument denominated in a currency other than the Investor's Currency

Currency exchange rates either can float or be fixed by sovereign governments. Governments or governmental bodies, including the European Central Bank, may intervene from time to time in their economies to alter the exchange rate or exchange characteristics of their currencies. For example, a central bank may intervene to devalue or revalue a currency or to replace an existing currency. In addition, a government may impose regulatory controls or taxes to affect the exchange rate of its currency or may issue a new currency or replace an existing currency. As a result, the amounts payable on and rate of return of an Instrument with a Settled Currency other than the Investor's Currency could be affected significantly and unpredictably by governmental actions. Even in the absence of governmental action directly affecting currency exchange rates, political or economic developments in the country or region issuing the Settled Currency for an Instrument with a Settled Currency other than the Investor's Currency or elsewhere could result in significant and sudden changes in the exchange rate between the Investor's Currency and the Settled Currency. Changes in exchange rates could affect the value of such Instruments as participants in the global currency markets move to buy or sell the Settled Currency of Investor's Currency in reaction to these developments.

If a governmental authority imposes exchange controls or other conditions, such as taxes on the exchange or transfer of the Settled Currency, there may be limited availability of the Settled Currency for payment on the Instruments denominated in such currency at their maturity or on any other payment date. In addition, the ability of a Holder to move currency freely out of the country in which payment in the currency is received or to convert the currency at a freely determined market rate could be limited by governmental actions.

In certain circumstances the Issuer will not be obliged to maintain the listing of the Instruments

The Issuer expects, but is not obliged, to maintain a listing of the Notes on the Official List of the Luxembourg Stock Exchange. Changed circumstances, including changes in listing requirements, could result in a suspension or removal of any such listing, or cause the Issuer to conclude that continued listing of the Instruments on such exchange is unduly burdensome.

Legal investment considerations may restrict certain investments

The investment activities of certain investors are subject to legal investment laws and regulations, or review or regulation by certain authorities. Each potential investor should consult its legal advisers to determine whether and to what extent (i) Instruments are legal investments for it, (ii) Instruments can be used as collateral for various types of borrowing and (iii) other restrictions apply to its purchase or pledge of any Instruments. Financial institutions should consult their legal advisers or the appropriate regulators to determine the appropriate treatment of Instruments under any applicable risk-based capital or similar rules.

7. General risks relating to Reference Item Linked Instruments

Reference Item Linked Instruments will represent an investment linked to the economic performance of the relevant Reference Item(s) and potential investors should note that the return (if any) on their investment in such Instruments will depend upon the performance of such Reference Item(s). Potential investors should also note that whilst the market value of such Instruments is linked to such Reference Item(s) and will be influenced (positively or negatively) by such Reference Item(s), any change in the market value of such Instruments may not be comparable to changes in the market value of the Reference Item(s). It is impossible to predict how the market value of the relevant Reference Item(s) will vary over time. In addition, in contrast to a direct investment in the relevant Reference Item(s), such Instruments represent the right to receive payment or delivery, as the case may be, of the Cash Settlement Amount(s), the Final Redemption Amount(s) or the Entitlement, as the case may be, as well as periodic payments of interest or additional amounts (if specified in the applicable Final Terms), all or some of which and the value of which will be determined by reference to the performance of the relevant Reference Item(s) but which are likely to differ from and may be less than the return on a direct investment in the same Reference Items(s).

As the amounts payable and/or non-cash consideration deliverable in respect of Reference Item Linked Instruments are linked to the performance of the relevant Reference Item(s), a purchaser of such an Instrument must generally be correct about the direction, timing and magnitude of an anticipated change in the value of the relevant Reference Item(s). Assuming all other factors are held constant, the lower the value of such an Instrument and the shorter the remaining term to expiration (in the case of a Warrant), exercise (in the case of a Certificate) or redemption (in the case of a Note), the greater the risk that purchasers of such Instrument will lose all or part of their investment.

Depending on the terms of the relevant Instruments, Reference Item Linked Instruments may be redeemed/settled on the maturity date/settlement date at an amount that is equal to (or nearly equal to), greater than or less than the amount invested. Except for Reference Item Linked Instruments that are structured to redeem/settle at a minimum amount on the maturity date/settlement date, investors in Reference Item Linked Instruments may risk losing their entire investment if the value of the relevant Reference Item(s) does not move in the anticipated direction. Regardless of the terms of the Instrument, all payments thereon are subject to the relevant Issuer's and (if applicable) the Guarantor's credit risk and their respective ability to pay their relevant obligations on the applicable payment dates.

POTENTIAL INVESTORS MUST REVIEW THE APPLICABLE FINAL TERMS TO ASCERTAIN WHAT THE RELEVANT REFERENCE ITEM(S) ARE AND TO SEE HOW THE CASH SETTLEMENT AMOUNT, FINAL REDEMPTION AMOUNT OR THE ENTITLEMENT, AS THE CASE MAY BE, AND ANY INTEREST PAYMENTS ARE DETERMINED AND WHEN SUCH AMOUNTS ARE PAYABLE AND/OR DELIVERABLE, AS THE CASE MAY BE, BEFORE MAKING ANY DECISION TO PURCHASE ANY INSTRUMENTS.

8. Risks relating to Inflation Linked Instruments

A relevant consumer price index or other formula linked to a measure of inflation to which the Instruments are linked may be subject to significant fluctuations that may not correlate with other indices. Any movement in the level of the index may result in a reduction of the interest payable on the Instruments, and in the case of Instruments with a settlement/redemption amount linked to inflation, in a reduction of the amount payable on settlement/redemption which in some cases could be less than the amount originally invested.

The timing of changes in the relevant consumer price index or other formula linked to the measure of inflation comprising the relevant index or indices may affect the actual yield to investors on the Inflation Linked Instruments, even if the average level is consistent with their expectations.

An index to which interest payments on an Inflation Linked Instrument and/or the redemption amount of an Inflation Linked Instrument are linked is only one measure of inflation for the relevant jurisdiction, and such index may not correlate perfectly with the rate of inflation experienced by Holders in such jurisdiction.

(B) *Terms of the Guarantees*

In accordance with, and subject to the terms of, the MLBV/MLICo. Guarantee, the Guarantor has unconditionally and irrevocably guaranteed to the holders of Notes (other than Secured Notes) issued by MLBV, (i) the due and punctual payment of any and all amounts payable by MLBV as obligor in respect of the Notes issued by MLBV and (ii) subject as provided below, the due and punctual delivery of non-cash consideration deliverable by MLBV in respect of the Notes issued by MLBV, if applicable, when and as the same shall become due and payable or when the same shall become due for delivery pursuant to the Conditions and to the extent provided in the Guarantee. As more fully set forth in the MLBV/MLICo. Guarantee, the Guarantor shall at all times have the right, at its sole and unfettered discretion, to elect not to deliver or procure delivery of the Entitlement to the Holders of Physical Delivery Notes issued by MLBV when the same shall become due and deliverable, but, in lieu thereof, to pay an amount in cash equal to the Guaranteed Cash Settlement Amount. The "**Guaranteed Cash Settlement Amount**" in respect of each Note issued by MLBV means an amount calculated pursuant to the terms of, or as specified in, the applicable Final Terms (or, in respect of each Credit Linked Note, as set out in Credit Linked Note Condition 5 (Physical Settlement) of "Annex 9A – *Additional Terms and Conditions for Credit Linked Notes*") or, if not specified in the applicable Final Terms, an amount equal to the fair market value of the Entitlement in respect of such Note on any date notified as such by the Guarantor to MLBV and the Calculation Agent, less the cost to MLBV and/or its Affiliates or agents of unwinding or adjusting any underlying or related hedging arrangements (including the cost of funding in respect of such hedging arrangements), all as determined by the Guarantor in its sole and absolute discretion. Any payment of the Guaranteed Cash Settlement Amount in lieu of the Entitlement shall constitute a complete discharge of the Guarantor's obligations in respect of such Physical Delivery Notes.

In accordance with, and subject to the terms of, the BofA Finance Guarantee, the Guarantor has unconditionally and irrevocably guaranteed to the holders of Notes issued by BofA Finance, the due and punctual payment of any and all amounts payable by BofA Finance as obligor in respect of the Notes issued by BofA Finance.

4. **Redenomination**

(A) *Redenomination*

If the country issuing the currency that is the Specified Currency or Settlement Currency, as applicable, for a Series of notes becomes, or announces its intention to become, a member state of the European Union which adopts the euro as its lawful currency in accordance with the Treaty Establishing the European Community, as amended from time to time (such treaty, the "**EC Treaty**" and such member state, a "**Participating Member State**"), the Issuer may, without the consent of the Noteholders on giving prior notice to the Principal Paying Agent, Euroclear and Clearstream, Luxembourg and at least 30 calendar days' prior notice to the Noteholders in accordance with Condition 14 (*Notices*), elect that, with effect from the Redenomination Date specified in the notice, the Notes shall be redenominated in euro.

The election will have effect as follows:

- (a) the Notes shall be deemed to be redenominated in euro in the denomination of €0.01 with a nominal amount for each Note equal to the nominal amount of that Note in the Specified Currency, converted into euro at the Established Rate, provided that, if the Issuer determines, with the agreement of the Principal Paying Agent, that the then market practice in respect of the redenomination in euro of internationally offered securities is different from the provisions specified above, such provisions shall be deemed to be amended so as to comply with such market practice and the Issuer shall promptly notify the Noteholders, the stock exchange (if any) on which the Notes may be listed, and the Paying Agents of such deemed amendments;

- (b) save to the extent that an Exchange Notice has been given in accordance with paragraph (d) below, the amount of interest due in respect of the Notes will be calculated by reference to the aggregate nominal amount of Notes presented for payment by the relevant holder and the amount of such payment shall be rounded down to the nearest €0.01;
- (c) if Definitive Registered Notes are required to be issued after the Redenomination Date, they shall be issued at the expense of the Issuer, in the denominations of €1,000, €10,000, €100,000 and (but only to the extent of any remaining amounts less than €1,000 or such smaller denominations as the Principal Paying Agent may approve) €0.01 and such other denominations as the Principal Paying Agent shall determine and notify to the Noteholders;
- (d) after the Redenomination Date, all payments in respect of the Notes, other than payments of interest (if any) in respect of periods commencing before the Redenomination Date, will be made solely in euro as though references in the Notes to the Specified Currency were to euro. Payments will be made in euro by credit or transfer to a euro account (or any other account to which euro may be credited or transferred) specified by the payee or, at the option of the payee, by a euro cheque; and
- (e) if the Notes are Fixed Rate Notes and interest for any period ending on or after the Redenomination Date is required to be calculated for a period ending other than on an Interest Payment Date, it will be calculated:
 - (i) in the case of the Notes represented by a Global Note, by applying the Rate of Interest to the aggregate outstanding nominal amount of the Notes represented by such Global Note; and
 - (ii) in the case of Definitive Registered Notes, by applying the Rate of Interest to the Calculation Amount,
 - (iii) and, in each case, multiplying such sum by the applicable Day Count Fraction, and rounding the resultant figure to the nearest sub-unit of the relevant Specified Currency, half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention. Where the Specified Denomination of a Fixed Rate Note in definitive form is a multiple of the Calculation Amount, the amount of interest payable in respect of such Fixed Rate Note shall be the product of the amount (determined in the manner provided above) for the Calculation Amount and the amount by which the Calculation Amount is multiplied to reach the Specified Denomination, without any further rounding.

In connection with such redenomination, the Issuer, after consultation with the Principal Agent, may make such other changes to the Conditions applicable to the relevant Notes, including, without limitation, with respect to any Business Day, Day Count Fraction, or other conventions as it may decide, so as to conform them to the then market practice in respect of euro-denominated debt securities issued in the Euromarkets, which are held in international clearing systems.

Any such changes will not take effect until the next following Interest Payment Date (in the case of interest bearing Notes) or the specified date (in the case of Zero Coupon Notes), as applicable, after the Noteholders have been given notice in accordance with Condition 14.

The circumstances and consequences described in this Condition 4 and any resulting amendment to the Conditions of the Notes will not entitle any Noteholder (i) to any legal remedy, including, without limitation, redemption, rescission, notice, repudiation, adjustment, or renegotiation of the Notes, or (ii) to raise any defence or make any claim (including, without limitation, claims of breach, force majeure, frustration of purpose, or impracticability) or any other claim for compensation, damages or any other relief.

- (a) if **"Actual/Actual (ICMA)"** is specified in the applicable Final Terms:
 - (i) in the case of Notes where the number of days in the relevant period from (and including) the most recent Interest Payment Date (or, if none, the Interest Commencement Date) to (but excluding) the relevant payment date (the **"Accrual Period"**) is equal to or shorter than the Determination Period during which the Accrual Period ends, the number of days in such Accrual Period divided by the product of (1) the number of days in such Determination Period and (2) the number of Determination Dates (as specified in the applicable Final Terms) that would occur in one calendar year assuming interest were payable in respect of the whole of that year; or
 - (ii) in the case of Notes where the Accrual Period is longer than the Determination Period during which the Accrual Period ends, the sum of:
 - (A) the number of days in such Accrual Period falling in the Determination Period in which the Accrual Period begins divided by the product of (x) the number of days in such Determination Period and (y) the number of Determination Dates (as specified in the applicable Final Terms) that would occur in one calendar year assuming interest were payable in respect of the whole of that year; and
 - (B) the number of days in such Accrual Period falling in the next Determination Period divided by the product of (x) the number of days in such Determination Period and (y) the number of Determination Dates (as specified in the applicable Final Terms) that would occur in one calendar year assuming interest were payable in respect of the whole of that year;
- (b) if **"Actual/Actual (ISDA)"** or **"Actual/Actual"** is specified in the applicable Final Terms, the actual number of days in the Interest Period divided by 365 (or, if any portion of that Interest Period falls in a leap year, the sum of (1) the actual number of days in that portion of the Interest Period falling in a leap year divided by 366

and (2) the actual number of days in that portion of the Interest Period falling in a non-leap year divided by 365);

- (c) if "**Actual/365 (Fixed)**" is specified in the applicable Final Terms, the actual number of days in the Interest Period divided by 365;

- (e) if "**Actual/360**" is specified in the applicable Final Terms, the actual number of days in the Interest Period divided by 360;
- (f) if "**30/360 (ICMA)**" is specified in the applicable Final Terms, the number of days in the period from (and including) the most recent Interest Payment Date (or, if none, the Interest Commencement Date) to (but excluding) the relevant payment date (such number of days being calculated on the basis of a year of 360 days with 12 30-day months) divided by 360;
- (g) if "**30/360**", "**360/360**" or "**Bond Basis**" is specified in the applicable Final Terms, the number of days in the Interest Period divided by 360, calculated on a formula basis as follows:

$$\text{Day Count Fraction} = \left[\frac{360 \times (Y_2 - Y_1) + [30 \times (M_2 - M_1)] + (D_2 - D_1)}{360} \right]$$

where:

"**Y₁**" is the year, expressed as a number, in which the first day of the Interest Period falls;

- (h) if "**30E/360**" or "**Eurobond Basis**" is specified in the applicable Final Terms, the number of days in the Interest Period divided by 360, calculated on a formula basis as follows:

$$\text{Day Count Fraction} = \left[\frac{360 \times (Y_2 - Y_1) + [30 \times (M_2 - M_1)] + (D_2 - D_1)}{360} \right]$$

where:

"**Y₁**" is the year, expressed as a number, in which the first day of the Interest Period falls;

"**Y₂**" is the year, expressed as a number, in which the day immediately following the last day of the Interest Period falls;

"**M₁**" is the calendar month, expressed as a number, in which the first day of the Interest Period falls;

"**M₂**" is the calendar month, expressed as a number, in which the day immediately following the last day of the Interest Period falls;

"**D₁**" is the first calendar day, expressed as a number, of the Interest Period, unless such number would be 31, in which case D₁ will be 30; and

"**D₂**" is the calendar day, expressed as a number, immediately following the last day included in the Interest Period, unless such number would be 31, in which case D₂ will be 30; or

where:

"**Y₁**" is the year, expressed as a number, in which the first day of the Interest Period falls;

"**D₂**" is the calendar day, expressed as a number, immediately following the last day included in the Interest Period, unless (i) that day is the last day of February but not the Maturity Date or (ii) such number would be 31, in which case D₂ will be 30.

In these Terms and Conditions:

"**Determination Period**" means each period from (and including) a Determination Date to (but excluding) the next Determination Date (including, where either the Interest Commencement Date or the final Interest Payment Date is not a Determination Date, the period commencing on the first Determination Date prior to, and ending on the first Determination Date falling after, such date); and

"**sub-unit**" means, with respect to any currency other than euro and U.S. Dollars, the lowest amount of such currency that is available as legal tender in the country of such currency and, with respect to euro and U.S. Dollars, one cent.

(B) *Interest on Fixed Rate Notes*

Except as provided in the applicable Final Terms, each Fixed Rate Note bears interest on its outstanding principal amount from (and including) the Interest Commencement Date at the rate(s) per annum equal to the Rate(s) of Interest. Interest will be payable in arrear on the Interest Payment Date(s) in each year up to (and including) the Maturity Date or any other date specified for redemption.

Except as provided in the applicable Final Terms, if a Fixed Coupon Amount is specified in the applicable Final Terms, the amount of interest payable in respect of each Note on each Interest Payment Date in respect of the Fixed Interest Period ending on (but excluding) such date will amount to the Fixed Coupon Amount as specified irrespective of any calculation based on the applicable Rate of Interest and any applicable Day Count Fraction (if any). Payments of interest on any Interest Payment Date will, if so specified in the applicable Final Terms, amount to the Broken Amount so specified.

If "**Unadjusted**" is specified in the applicable Final Terms with respect to any Interest Payment Date, any Interest Payment Date falling on a day which is not a Business Day will not be adjusted in accordance with any Business Day Convention, and the relevant Fixed Interest Period (as defined below) will accordingly not be adjusted. In such event, payment of any amounts will be made in accordance with the provisions of Condition 6(C) (*Payments - Payment Day*).

If "**Adjusted**" is specified in the applicable Final Terms with respect to any Interest Payment Date, any Interest Payment Date falling on a day which is not a Business Day will be adjusted in accordance with the Business Day Convention specified in the applicable Final Terms, and the relevant Fixed Interest Period will be adjusted accordingly. For these purposes, the provisions of Condition 5(C)(a) below relating to Business Day Conventions shall apply mutatis mutandis where "Business Day" has the meaning assigned to it in Condition 18 (*Business Days*).

As used in these Terms and Conditions, "**Fixed Interest Period**" means the period from (and including) an Interest Payment Date (or the Interest Commencement Date) to (but excluding) the next (or first) Interest Payment Date.

If interest is required to be calculated for a period other than a Fixed Interest Period or where an applicable Fixed Coupon Amount or Broken Amount is specified in the applicable Final Terms, interest shall be calculated in respect of any period by applying the Rate of Interest to:

- (i) in the case of Fixed Rate Notes which are represented by a Global Note, the aggregate outstanding nominal amount of the Fixed Rate Notes represented by such Global Note or, if they are Partly Paid Notes, the aggregate amount paid up; or
- (ii) in the case of Fixed Rate Notes in definitive form, the Calculation Amount;

and, in each case, multiplying such product by the applicable Day Count Fraction, and rounding the resultant figure to the nearest sub-unit of the relevant Specified Currency, half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention. Where the Specified Denomination of a Fixed Rate Note in definitive form is a multiple of the Calculation Amount, the amount of interest payable in respect of such Fixed Rate Note shall be the product of the amount (determined in the manner provided above) for the Calculation Amount and the amount by which the Calculation Amount is multiplied to reach the Specified Denomination, without any further rounding.

(C) *Interest on Floating Rate Notes, Index Linked Interest Notes, Share Linked Interest Notes, GDR/ADR Linked Interest Notes, FX Linked Interest Notes, Commodity Linked Interest Notes, Fund Linked Interest Notes and Inflation Linked Interest Notes*

(a) *Interest Payment Dates*

Each Floating Rate Note, Index Linked Interest Note, Share Linked Interest Note, GDR/ADR Linked Interest Note, FX Linked Interest Note, Commodity Linked Interest Note, Fund Linked Interest Note and Inflation Linked Interest Note bears interest on its outstanding nominal amount (or, if it is a Partly Paid Note, the amount paid up) from (and including) the Interest Commencement Date. Interest

will be payable in arrear on the "**Interest Payment Date(s)**", which shall mean either:

- (i) the Specified Interest Payment Date(s) in each year specified in the applicable Final Terms; or
- (ii) if no Specified Interest Payment Date(s) is/are specified in the applicable Final Terms, each date which falls the number of months or other period specified as the Specified Period in the applicable Final Terms after the preceding Interest Payment Date or, in the case of the first Interest Payment Date, after the Interest Commencement Date.

Interest will be payable in respect of each "**Interest Period**" (which expression shall, in these Terms and Conditions, mean (except as otherwise provided in Additional Note Condition 3(b)(ii)(A) in Annex 17), the period from (and including) an Interest Payment Date (or the Interest Commencement Date, in the case of the initial Interest Period) to (but excluding) the next Interest Payment Date or the first Interest Payment Date, as the case may be, or, in the case of the final Interest Period, the redemption date (whether at maturity or any earlier redemption date)) (subject to adjustment (if applicable) as described below).

If "**Unadjusted**" is specified in the applicable Final Terms with respect to any Interest Payment Date, and such Interest Payment Date is not a Business Day, then such Interest Payment Date will not be adjusted in accordance with any Business Day Convention (and, consequently, the relevant Interest Period will not be adjusted). In such event, payments of interest due shall be made in accordance with the provisions of Condition 6(C) (*Payments - Payment Day*), with no additional interest accruing or payable as a result of the non-Business Day.

If (x) there is no numerically corresponding day in the calendar month in which an Interest Payment Date should occur or (y) "**Adjusted**" is specified in the applicable Final Terms with respect to any Interest Payment Date or Interest Period Demarcation Date (as defined in Additional Note Condition 3(b)(ii)(A)) and applicable with respect to Series of Notes for which the Reference Rate is a Compounded Daily Reference Rate using "Payment Delay" as the Determination Convention (as defined in Additional Note Condition 3(b)(ii)(A)) and such Interest Payment Date or Interest Period Demarcation Date, as applicable, falls on a day which is not a Business Day, such Interest Payment Date or Interest Period Demarcation Date, as applicable, will be adjusted in accordance with the Business Day Convention specified in the applicable Final Terms (and, consequently, the relevant Interest Period will be adjusted). In such case, interest will accrue to, but excluding, the adjusted Interest Payment Date or adjusted Interest Period Demarcation Date, as the case may be. If the Business Day Convention specified is:

- (1) in any case where Specified Periods are specified in accordance with Condition 5(C)(a)(ii) above, the Floating Rate Convention, such Interest Payment Date (i) in the case of (x) above, shall be the last day that is a Business Day in the relevant month and the provisions of (B) shall apply mutatis mutandis or (ii) in the case of (y) above, shall be postponed to the next day which is a Business Day unless it would thereby fall into the next calendar month, in which event (A) such Interest Payment Date shall be brought forward to the immediately preceding Business Day and (B) each subsequent Interest Payment Date shall be the last Business Day in the month which falls the Specified Period after the preceding applicable Interest Payment Date occurred; or
- (2) the Following Business Day Convention, such Interest Payment Date shall be postponed to the next day which is a Business Day; or

- (3) the Modified Following Business Day Convention, such Interest Payment Date shall be postponed to the next day which is a Business Day unless it would thereby fall into the next calendar month, in which event such Interest Payment Date shall be brought forward to the immediately preceding Business Day; or
- (4) the Preceding Business Day Convention, such Interest Payment Date shall be brought forward to the immediately preceding Business Day,

where "Business Day" has the meaning assigned to it in Condition 18 (*Business Days*).

(b) *Rate of Interest*

Except as otherwise provided pursuant to the applicable benchmark transition provisions set forth in Additional Note Condition 4(b) (with respect to the EUR EURIBOR ICE Swap Rate®, GBP SONIA ICE Swap Rate®, U.S. Dollar SOFR ICE Swap Rate®, Tokyo Swap Rate (for swaps referencing TONA) or "TONA TSR", KRW CMS Rate and Constant Maturity Swap Rate), Additional Note Condition 4(a) (with respect to EURIBOR, the KRW CD 91 Rate, TORF and Compounded Daily Reference Rates based on SONIA and TONA, Additional Note Condition 4(c) (with respect to Compounded Daily Reference Rates based on SOFR) and Additional Note Condition 4(d) (with respect to BBSW, Compounded Daily AONIA) in Annex 17 (such provisions, as applicable to a Series of Notes, the "**benchmark transition provisions**"), the Rate of Interest payable from time to time in respect of a Series of Floating Rate Notes, Index Linked Interest Notes, Share Linked Interest Notes, GDR/ADR Linked Interest Notes, FX Linked Interest Notes, Commodity Linked Interest Notes, Fund Linked Interest Notes and Inflation Linked Interest Notes will be determined (a) in accordance with Condition 5(C)(b)(i) or 5(C)(b)(ii), as applicable, as specified in the applicable Final Terms, together with the Additional Note Conditions set forth in Annex 17 that are specified in such Annex or in the applicable Final Terms to be applicable with respect to the applicable Reference Rate and Notes bearing interest by reference thereto and/or as specified in the applicable Final Terms or (b) in the manner as specified in the applicable Final Terms.

For purposes of this Condition 5:

"**Calculation Amount**" means the amount specified in the applicable Final Terms;

"**Margin**" means the percentage or number of basis points specified in the applicable Final Terms to be added to or subtracted from the applicable Reference Rate in accordance with Condition 5;

"**Participation Rate**" means the percentage (or number), as specified in the applicable Final Terms, by which the applicable Reference Rate is multiplied in order to calculate the applicable Rate of Interest in accordance with this Condition 5(A)(b); and

"**Reference Rate**" means one or more of the following interest rates, as specified in the Final Terms:

- BBSW;
- EURIBOR;
- KRW CD 91 Rate;
- TORF;
- EUR EURIBOR ICE Swap Rate®;

- KRW CMS Rate;
- Constant Maturity Swap Rate;
- Compounded Daily SOFR;
- Compounded Daily SONIA;
- Compounded Daily TONA; or
- Any other rate specified to be the Reference Rate in the applicable Final Terms.

The applicable Reference Rate will be determined in accordance with Condition 5(C)(b)(i) or 5(C)(b)(ii), as applicable, specified in the applicable Final Terms, and the Additional Note Conditions that are specified in Annex 17 to be applicable with respect to such Reference Rate and Notes bearing interest by reference thereto and/or as specified in the applicable Final Terms.

(i) *Screen Rate Determination for Floating Rate Notes*

Where Screen Rate Determination is specified in the applicable Final Terms as the manner in which the Rate of Interest is to be determined with respect to a particular Series of Notes, except as otherwise provided pursuant to the applicable benchmark transition provisions set forth in Annex 17, the Rate of Interest for each Interest Period will be equal to the applicable Reference Rate (expressed as a percentage rate per annum) for the Specified Maturity and, if applicable, the Specified Currency for such Series of Notes, determined in accordance with Additional Note Condition 2 and such further Additional Note Conditions that are specified in Annex 17 and the applicable Final Terms to be applicable to the applicable Reference Rate and Notes bearing interest by reference thereto, multiplied by the Participation Rate, if any, plus or minus (as indicated in the applicable Final Terms) the Margin, if any, all as determined by the Calculation Agent.

(ii) *Determination of Rate of Interest of Floating Rate Notes with a Compounded Daily Reference Rate*

Where Compounded Daily is specified in the applicable Final Terms as the manner in which the Rate of Interest is to be determined, except as otherwise provided pursuant to the applicable benchmark transition provisions set forth in Annex 17, the Rate of Interest for each Interest Period will be equal to the applicable Compounded Daily Reference Rate determined in accordance with Additional Note Condition 3 and such further Additional Note Conditions that are specified in Annex 17 and the applicable Final Terms to be applicable to the applicable Reference Rate and Notes bearing interest by reference thereto, multiplied by the Participation Rate, if any, plus or minus (as indicated in the applicable Final Terms) the Margin, if any, all as determined by the Calculation Agent.

(c) *Minimum or Maximum Rate of Interest*

If the applicable Final Terms specifies a minimum rate at which the Notes bear interest (a "**Minimum Interest Rate**") or a maximum rate at which the Notes bear

interest (a "**Maximum Interest Rate**"), then the Rate of Interest shall in no event be greater than the Maximum Interest Rate or be less than the Minimum Interest Rate so specified.

(d) *Determination of Rate of Interest and Calculation of Interest Amounts*

The Calculation Agent, in the case of Floating Rate Notes, Index Linked Interest Notes, Share Linked Interest Notes, GDR/ADR Linked Interest Notes, FX Linked Interest Notes, Commodity Linked Interest Notes, Fund Linked Interest Notes and Inflation Linked Interest Notes, will, at or as soon as practicable after each time at which the Rate of Interest is to be determined, determine the Rate of Interest for the relevant Interest Period with respect to the applicable Note. In the case of Floating Rate Notes, Index Linked Interest Notes, Share Linked Interest Notes, GDR/ADR Linked Interest Notes, FX Linked Interest Notes, Commodity Linked Interest Notes, Fund Linked Interest Notes and Inflation Linked Interest Notes, the Calculation Agent will notify the Principal Paying Agent of the Rate of Interest for the relevant Interest Period as soon as practicable after calculating the same.

The Calculation Agent, in the case of Floating Rate Notes, Index Linked Interest Notes, Share Linked Interest Notes, GDR/ADR Linked Interest Notes, FX Linked Interest Notes, Commodity Linked Interest Notes, Fund Linked Interest Notes and Inflation Linked Interest Notes, will calculate the amount of interest (the "**Interest Amount**") payable on the Notes for the relevant Interest Period (unless the Interest Amount is specified in the applicable Final Terms, in which case the Interest Amount shall be such amount) by applying the Rate of Interest to:

- (i) in the case of Floating Rate Notes, Index Linked Interest Notes, Share Linked Interest Notes, GDR/ADR Linked Interest Notes, FX Linked Interest Notes, Commodity Linked Interest Notes, Fund Linked Interest Notes or Inflation Linked Interest Notes which are represented by a Global Note, the aggregate outstanding nominal amount of the Notes represented by such Global Note (or, if they are Partly Paid Notes, the aggregate amount paid up); or
- (ii) in the case of Floating Rate Notes, Index Linked Interest Notes, Share Linked Interest Notes, GDR/ADR Linked Interest Notes, FX Linked Interest Notes, Commodity Linked Interest Notes, Fund Linked Interest Notes or Inflation Linked Interest Notes in definitive form, the Calculation Amount,

and, in each case, multiplying such product by the applicable Day Count Fraction, and rounding the resultant figure in accordance with Condition 6(G). Where the Specified Denomination of a Floating Rate Note, Index Linked Interest Note, Share Linked Interest Note, GDR/ADR Linked Interest Note, FX Linked Interest Note, Commodity Linked Interest Note, Fund Linked Interest Note or Inflation Linked Interest Note in definitive form is a multiple of the Calculation Amount, the Interest Amount payable in respect of such Note shall be the product of the amount (determined in the manner provided above) for the Calculation Amount and the amount by which the Calculation Amount is multiplied to reach the Specified Denomination, without any further rounding. In such case, the Calculation Agent will notify the Principal Paying Agent of the Interest Amount for the relevant Interest Period as soon as practicable after calculating the same.

(e) *Notification of Rate of Interest and Interest Amounts*

The Principal Paying Agent and/or the Calculation Agent will cause the relevant Rate of Interest and Interest Amount for each Interest Period and the relevant Interest Payment Date to be notified to the Issuer and any securities or stock exchange on which the relevant Floating Rate Notes, Index Linked Interest Notes, Share Linked Interest Notes, GDR/ADR Linked Interest Notes, FX Linked

Interest Notes, Commodity Linked Interest Notes, Fund Linked Interest Notes or Inflation Linked Interest Notes are for the time being listed as soon as reasonably practicable after their determination. In connection with any such Notes listed on any securities exchange, the Principal Paying Agent and/or the Calculation Agent will notify such securities exchange of the Rate or Interest, the Interest Payment Date and each Interest Amount no later than the first day of the commencement of each new Interest Period, or, in respect of the Notes for which the Reference Rate is a Compounded Daily Reference Rate, as soon as reasonably practicable after the determination of such Rate of Interest and the Interest Amount. Both the Interest Amount and the Interest Payment Date subsequently may be amended (and/or appropriate alternative arrangements made by way of adjustment) without prior notice in the event of an extension or shortening of the Interest Period in accordance with the provisions hereof. Any such amendment will be notified as soon as reasonably practicable to each securities or stock exchange (if the rules of such securities or stock exchange so require) on which the relevant Floating Rate Notes, Index Linked Interest Notes, Share Linked Interest Notes, GDR/ADR Linked Interest Notes, FX Linked Interest Notes, Commodity Linked Interest Notes, Fund Linked Interest Notes or Inflation Linked Interest Notes are for the time being listed and to the Noteholders in accordance with Condition 14 (*Notices*). In addition, if, with respect to a Series of Notes, a substitute, alternative or replacement rate with respect to the Reference Rate for such Series is determined pursuant to and in accordance with the applicable benchmark transition provisions (as defined in Condition 5(C)(b)), and as specified in the applicable Final Terms, the Issuer shall provide, or cause to be provided, as soon as practicable after such determination, notice of such substitute or alternative rate to the applicable Holders in accordance with Condition 14 (*Notices*).

(f) *Certificates to be final*

Except as otherwise provided in Additional Note Condition 3 set forth in Annex 17, all certificates, communications, opinions, determinations, calculations, quotations and decisions given, expressed, made or obtained for the purposes of the provisions of this Condition 5(C), whether by the Principal Paying Agent or, if applicable, the Calculation Agent, shall (in the absence of negligence, wilful default, bad faith, manifest error or proven error) be binding on the Issuer, the Guarantor (in the case of Notes issued by MLBV), the Principal Paying Agent, the Calculation Agent (if applicable), the other Paying Agents, the Registrar and all Noteholders and (in the absence of wilful default or bad faith) no liability to the Issuer, the Guarantor (in the case of Notes issued by MLBV) or the Noteholders shall attach to the Principal Paying Agent or the Calculation Agent (if applicable) in connection with the exercise or non-exercise by it of its powers, duties and discretions pursuant to such provisions.

(D) *Interest on Partly Paid Notes*

In the case of Partly Paid Notes (other than Partly Paid Notes which are Zero Coupon Notes), interest will accrue as aforesaid on the paid-up nominal amount of such Notes and otherwise as specified in the applicable Final Terms.

(E) *Cessation of Interest Accrual; Accrual of interest if Payment of Principal is Improperly Withheld or Refused*

Each Note (or in the case of the redemption of part only of a Note, that part only of such Note) will cease to bear interest (if any) from the date of its redemption unless, upon due presentation thereof, payment of principal is improperly withheld or refused. In such event, interest will continue to accrue until whichever is the earlier of:

- (a) the date on which all amounts due in respect of such Note have been paid and/or all assets deliverable in respect of such Note have been delivered; and

- (b) five calendar days after the date on which the full amount of the moneys payable in respect of such Note has been received by the Principal Paying Agent and/or all assets in respect of such Note have been received by any agent appointed by the Issuer to deliver such assets to Noteholders and notice to that effect has been given to the Noteholders in accordance with Condition 14 (*Notices*),

provided that if:

- (c) "**Accrual of Interest upon Credit Event**" is specified as Not Applicable in the applicable Final Terms, each Note shall cease to bear interest from the Interest Payment Date immediately preceding the Event Determination Date, or if the Event Determination Date is an Interest Payment Date such Interest Payment Date (or, in the case of the Event Determination Date falling on or after the Scheduled Maturity Date (which is an Interest Payment Date), the Interest Payment Date immediately preceding the Scheduled Maturity Date) or, if the Event Determination Date falls prior to the first Interest Payment Date, no interest shall accrue on the Notes; or
- (d) "**Accrual of Interest upon Credit Event**" is specified as being Applicable in the applicable Final Terms, each Note shall cease to bear interest from the Event Determination Date.

6. Payments

(A) *Method of Payment*

Payments of principal, interest and any other amounts due on the Notes shall be made to the person shown on the Register on the Record Date. Payments in respect of each Note shall be made in the relevant Specified Currency by transfer to an account in the Specified Currency maintained by the payee with a bank in the principal financial centre of the country of such Specified Currency (or, if the Specified Currency is euro, any other account to which euro may be credited or transferred), as provided to the Registrar by the person shown on the Register for such purpose.

Payments will be subject in all cases to any fiscal or other laws and regulations applicable thereto in the place of payment, but without prejudice to the provisions of Condition 9 (*Taxation*).

Notwithstanding anything to the contrary in this Condition 6(A) (*Payments – Method of Payment*), payments in CNY will be made solely by credit or transfer to a CNY account maintained by the payee with a bank in the CNY Settlement Centre in accordance with applicable laws, rules, regulations and guidelines.

(B) *Payments in respect of Registered Notes*

All payments in respect of a Global Note will be made to the person shown in the Register on the Record Date.

The person shown in the Register on the Record Date shall be the only person entitled to receive payments in respect of Notes represented by such Global Note and the Issuer and any Guarantor (in the case of Notes issued by MLBV), will be discharged by payment to, or to the order of, to such person in respect of each amount so paid. Each of the persons shown in the records of Euroclear or Clearstream, Luxembourg as the beneficial holder of a particular nominal amount

of Notes represented by such Global Note must look solely to Euroclear or Clearstream, Luxembourg, as the case may be, for such person's share of each payment so made by the Issuer or, as the case may be, the Guarantor (in the case of Notes issued by MLBV).

(C) *Payment Day*

If the date scheduled for payment of any amount in respect of any Note is not a Payment Day, the Holder thereof shall not be entitled to payment of the amount due until (i) if "Following" is specified in the applicable Final Terms, the next following Payment Day or (ii) if "Modified Following" is specified in the applicable Final Terms, the next following Payment Day unless that Payment Day falls in the next calendar month, in which case the first preceding Payment Day. If any date for payment is postponed as a result of a non-Payment Day, the Holder shall not be entitled to further interest or other payment in respect of such delay or amendment. For the avoidance of doubt, whether a Fixed Interest Period or Interest Period is adjusted (and thus whether additional days are included in such period for the accrual of interest) will be determined in accordance with the applicable Business Day Convention as described in Condition 5. For these purposes, "**Payment Day**" means any day (other than a Saturday or Sunday) on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchanges and foreign currency deposits) in:

(F) *Payment Disruption*

(a) *Occurrence of a Payment Disruption Event or a CNY Payment Disruption Event*

If the applicable Final Terms specifies "Payment Disruption Event" or "CNY Payment Disruption Event" to be applicable, then, in the event that the Calculation Agent, at any time and from time to time, determines in its sole discretion that a Payment Disruption Event or a CNY Payment Disruption Event, as the case may be, has occurred or is likely to occur, then the Calculation Agent shall as soon as practicable notify the Holders of the relevant Notes of the occurrence of such Payment Disruption Event or CNY Payment Disruption Event, as the case may be, in accordance with Condition 14 (*Notices*).

(b) *Consequences of a Payment Disruption Event*

Upon the occurrence of a Payment Disruption Event:

(i) *Postponement of relevant dates*

Subject to Condition 6(F)(e), the Issuer may postpone the Interest Payment Date, the Maturity Date or any other date on which the Notes may be redeemed or any amount would otherwise be due and payable in respect of the relevant Notes until five Business Days (or such other date as may be determined by the Issuer and notified to the Holders in accordance with Condition 14 (*Notices*)) after the date on which the Payment Disruption Event is no longer occurring (the "Postponed Date"). Noteholders shall not be entitled to further interest or other payment in respect of such postponement.

(ii) *Issuer's option to vary settlement*

Notwithstanding the Issuer's right to postpone the date(s) for payments and/or redemption in accordance with Condition 6(F)(b)(i), the Issuer may, if practicable (and to the extent lawful), and at the Issuer's sole and absolute discretion:

- (A) make payments due to be made in the Subject Currency in the Base Currency or in U.S. dollars or euros, converted from the Subject Currency into the Base Currency, U.S. dollars or euros, as applicable, at a rate reasonably selected by the Calculation Agent;
- (B) make payments due to be made in the Base Currency in the Subject Currency or in U.S. dollars or euros, disregarding any obligation to convert amounts into the Base Currency;
- (C) in the case of Share Linked Notes, deliver the Shares in lieu of cash settlement; or
- (D) in the case of Share Linked Notes which reference a basket of Shares, elect to satisfy in part its obligation to pay the amounts as may be due and payable under the relevant Notes by making partial payment(s) or partial deliveries, as the case may be (the "**Partial Distributions**"). Any Partial Distribution made by the Issuer to the Holders will be calculated and/or determined by the Calculation Agent in its sole and absolute discretion and shall be paid and/or delivered to the Holders pro rata (as far as possible, subject to any necessary adjustments for rounding) to the proportion of the Notes of the same Series held by the relevant Holder. In the event that any Partial Distribution is made by the Issuer, the Calculation Agent may, in its sole and absolute discretion, make any such corresponding adjustment to any variable relevant to the redemption or payment terms of the relevant Notes as it deems necessary and shall notify the relevant Holders thereof in accordance with Condition 14 (*Notices*).

Any payments or deliveries made in accordance with this Condition 6(F)(b)(ii) shall satisfy and discharge in full (in the case of payments or deliveries made in accordance with paragraphs (A) to (C)) and in part (in the case of Partial Distributions made in accordance with paragraph (D)) the Issuer's obligation to pay the Interest Amount, Fixed Coupon Amount, Final Redemption Amount or other amount in respect of which the Payment Disruption Event has arisen, and no further amounts shall be due and payable by the Issuer in respect thereof.

(c) *Consequences of a CNY Payment Disruption Event*

Upon the occurrence of a CNY Payment Disruption Event:

(i) *Postponement of relevant dates*

If "Date Postponement" is specified to be applicable in the applicable Final Terms, then Condition 6(F)(b)(i) shall apply, provided that the reference therein to "Payment Disruption Event" shall be construed as a reference to "CNY Payment Disruption Event".

(ii) *Payment of Equivalent Amount*

If "Payment of Equivalent Amount" is specified to be applicable in the applicable Final Terms, and the Calculation Agent determines that a CNY Payment Disruption Event has occurred in relation to the Issuer's obligations under the relevant Notes to pay any Interest Amount, Fixed Coupon Amount, Final Redemption Amount or other amount in respect of the relevant Notes on the relevant Interest Payment Date, Maturity Date, or such other date on which any amount in respect of the relevant Notes shall be due and payable (such date, the "**Affected Payment Date**"), then the Issuer may, on giving notice to Holders in accordance with Condition 14 (*Notices*) as soon as practicable and in any event prior to the date on

which the payment of the Equivalent Amount is due and payable to the Holders, make payment of the Equivalent Amount of the relevant Interest Amount, Fixed Coupon Amount, Final Redemption Amount or such other amount payable (if applicable) in full and final settlement of its obligations to pay such Interest Amount, Fixed Coupon Amount, Final Redemption Amount or other amount in respect of the relevant Notes.

Notwithstanding the foregoing:

- (A) if both "Payment of Equivalent Amount" and "Date Postponement" are specified to be applicable in the applicable Final Terms, and if the Issuer decides to exercise its right of postponement pursuant to Condition 6(F)(c)(i) and payment of the Equivalent Amount pursuant to this Condition 6(F)(c)(ii), the Equivalent Amount in respect of the relevant Interest Amount, Fixed Coupon Amount, Final Redemption Amount or other amount (if applicable) in respect of the relevant Notes shall be due and payable on the Postponed Date instead of the Affected Payment Date; and
- (B) if (x) only the "Payment of Equivalent Amount" is specified to be applicable in the applicable Final Terms, or (y) both "Payment of Equivalent Amount" and "Date Postponement" are specified to be applicable in the applicable Final Terms and the Issuer decides only to exercise the right of payment of the Equivalent Amount pursuant to this Condition 6(F)(c)(ii) but not its right of postponement pursuant to Condition 6(F)(c)(i), then no Postponed Date shall apply and the Equivalent Amount in respect of the relevant Interest Amount, Fixed Coupon Amount, Final Redemption Amount or other amount (if applicable) in respect of the relevant Notes shall be due and payable on the Affected Payment Date.

(d) *Payments net of expenses*

Notwithstanding any provisions to the contrary, (a) any payments made in accordance with Condition 6(F)(b) or Condition 6(F)(c), as the case may be, shall be made after deduction of any costs, expenses or liabilities incurred or to be incurred by the Calculation Agent or Issuer in connection with or arising from the resolution of the relevant Payment Disruption Event(s) or CNY Payment Disruption Event(s), as the case may be, and (b) no interest shall be paid by the Issuer in respect of any delay which may occur in the payment of any amounts due and payable under the Notes as a result of the operation of Condition 6(F)(b) or Condition 6(F)(c), as the case may be.

(e) *Payment Event Cut-Off Date*

In the event that a Payment Disruption Event or a CNY Payment Disruption Event, as the case may be, is still occurring on the Payment Event Cut-Off Date, then the Interest Payment Date, the Maturity Date, or any other date on which any Interest Amount, Fixed Coupon Amount, Final Redemption Amount or other amount in respect of the relevant Notes shall be due and payable (as the case may be) for the relevant Notes shall be deemed to fall on the Payment Event Cut-Off Date. In such circumstances, the Holder will not receive any amounts. Thereafter, the Issuer shall have no obligations whatsoever under the Notes.

"Payment Disruption Event" means:

- (i) the occurrence of either (a) an Inconvertibility Event and/or (b) a Non-Transferability Event (each as defined in "Annex 5 – *Additional Terms and Conditions for FX Linked Instruments*");

7. **Redemption, Repayment and Repurchase**

(A) *Redemption at Maturity*

Unless previously redeemed or purchased and cancelled as provided below, each Note (other than a Credit Linked Note) will be redeemed by the Issuer at its Final Redemption Amount specified in, or determined in the manner specified in, the applicable Final

Terms in the relevant Specified Currency on the Maturity Date or, if the Notes are specified as Physical Delivery Notes in the applicable Final Terms, by delivery of the Entitlement (subject as provided in "Annex 10 – *Additional Terms and Conditions for Physical Delivery Notes*") specified in, or determined in the manner specified in, the applicable Final Terms on the Maturity Date.

(B) *Redemption for Tax Reasons*

The Issuer may redeem the Notes, in whole, but not in part, at any time prior to maturity at their Early Redemption Amount, together, if appropriate, with accrued interest to (but excluding) the date fixed for redemption, if: (i) the Issuer or (in the case of Notes issued by BofA Finance and (other than Secured Notes) MLBV) the Guarantor shall determine that the Issuer would be required to pay Additional Tax Amounts, as provided in Condition 9 (*Taxation*), on the occasion of the next payment due with respect to the Notes; (ii) any payment or deemed payment as determined for United States tax purposes with respect to the Notes or with respect to a direct or indirect hedging arrangement entered into by the Issuer or any of its Affiliates relating to the Notes may be treated as a dividend or "dividend equivalent" for United States tax purposes (such event being a "U.S. Withholding Tax Event"); or (iii) in the case of Notes issued by BofA Finance and (other than Secured Notes) MLBV, on the occasion of the next payment due in respect of the Notes, the Guarantor would be unable to procure the Issuer to make payment and, in making such payment itself under the relevant Guarantee, the Guarantor would be required to pay Additional Tax Amounts as provided in Condition 9 (*Taxation*).

Notice of intention to redeem Notes pursuant to this Condition 7(B) (*Redemption, Repayment and Repurchase – Redemption for Tax Reasons*) will be given at least once in accordance with Condition 14 (*Notices*) not less than 30 calendar days nor more than 60 calendar days prior to the date fixed for redemption, provided that no such notice of redemption shall be given earlier than 90 calendar days prior to the effective date of such change or amendment and that at the time notice of such redemption is given, such obligation to pay such Additional Tax Amounts remains in effect and cannot be avoided by the Issuer's taking reasonable measures available to it. (C) *Redemption for Tax Compliance Reasons*

MLBV may, at its option, redeem the Notes, in whole or in part, at any time prior to maturity, at their Early Redemption Amount, together, if appropriate, with accrued interest to (but excluding) the date fixed for redemption, if MLBV determines in good faith that it has, or there is a substantial likelihood that it will, become subject to withholding imposed on a payment made to it on account of MLBV's inability to comply with the reporting requirements imposed by the FATCA Provisions (as defined below), provided that such inability to comply with the reporting requirements is attributable to non-compliance by any Holder of such Notes (or a foreign withholding agent (if any) in the chain of custody of payments made to the Holders) with MLBV's requests for certifications or identifying information (such redemption, a "**Redemption for Tax Compliance Reasons**"). Upon a Redemption for Tax Compliance Reasons, Notes held by compliant Holders, in addition to those held by non-compliant Holders, may be redeemed.

Notice of intention to redeem Notes pursuant to this Condition 7(C) will be given in accordance with Condition 14 (*Notices*) not less than 30 calendar days nor more than 60 calendar days prior to the date fixed for redemption. From and after any redemption date, if monies for the redemption of Notes shall have been made available for redemption on such redemption date, such Notes shall cease to bear interest, if applicable, and the only right of the holders of such Notes shall be to receive payment of

(D) *Redemption at the Option of the Issuer (Issuer Call)*

If Issuer Call is specified in the applicable Final Terms, the Issuer may, having given:

- (b) not less than one London Business Day's notice to the Principal Paying Agent before giving notice as referred to in (a) above, unless a shorter period is acceptable to the Principal Paying Agent,

(which notices shall be irrevocable and shall specify the date fixed for redemption), redeem all or some only of the Notes then outstanding on any Optional Redemption Date and at the Optional Redemption Amount(s) specified in, or determined in the manner specified in, the applicable Final Terms together, if appropriate, with interest accrued to (but excluding) the relevant Optional Redemption Date. Any such redemption must be of a nominal amount not less than the Minimum Redemption Amount and/or not more than the Maximum Redemption Amount in each case as may be specified in the applicable Final Terms. In the case of a partial redemption of Notes, the Notes to be redeemed ("**Redeemed Notes**") will be selected individually by lot, in the case of Redeemed Notes represented by Individual Note Certificates, and in accordance with any applicable laws and the rules of Euroclear and/or Clearstream, Luxembourg (to be reflected in the records of Euroclear and Clearstream, Luxembourg as either a pool factor or a pro-rata reduction in nominal amount at their discretion), in the case of Redeemed Notes represented by a Global Note, not more than 60 calendar days' prior to the date fixed for redemption (such date of selection being hereinafter called the "**Selection Date**"). In the case of Redeemed Notes represented by Individual Note Certificates, a list of the serial numbers of such Redeemed Notes will be published in accordance with Condition 14 (*Notices*) not less than 30 calendar days prior to the date fixed for redemption. No exchange of the relevant Global Note will be permitted during the period from (and including) the Selection Date to (and including) the date fixed for redemption pursuant to this paragraph (D) and notice to that effect shall be given by the Issuer to the Noteholders in accordance with Condition 14 (*Notices*) at least five calendar days' prior to the Selection Date.

It may be that before an Investor Put can be exercised, certain conditions and/or

circumstances will need to be satisfied. Where relevant, the provisions detailing such conditions and/or circumstances to be satisfied will be set out in the applicable Final Terms.

If the Note is represented by an Individual Note Certificate and held outside Euroclear and Clearstream, Luxembourg, to exercise the right to require redemption of the Note the Holder of the Note must deliver at the specified office of the Principal Paying Agent at any time during normal business hours of the Principal Paying Agent falling within the notice period, a duly signed and completed notice of exercise (a "Put Notice") in the form (for the time being current) obtainable from the specified office of the Principal Paying Agent and in which the Holder must specify a bank account (or, if payment is required by cheque, an address) to which payment is to be made under this Condition 7 (*Redemption, Repayment and Repurchase*) accompanied by the relevant Individual Note Certificate(s) or evidence satisfactory to the Principal Paying Agent that the Individual Note Certificate(s) will, following delivery of the Put Notice, be held to its order or under its control.

If the Note is represented by a Global Note or is in definitive form and held through Euroclear or Clearstream, Luxembourg, to exercise the right to require redemption of the Note the Holder of the Note must, within the notice period, give notice to the Principal Paying Agent of such exercise in accordance with the standard procedures of Euroclear and Clearstream, Luxembourg (which may include notice being given on its instruction by Euroclear or Clearstream, Luxembourg or the Common Depositary or its nominee or common safekeeper, as the case may be, for them to the Principal Paying Agent by electronic means) in a form acceptable to Euroclear and Clearstream, Luxembourg from time to time and, if the Note is represented by a Global Note, at the same time present or procure the presentation of the relevant Global Note to the Principal Paying Agent for notation accordingly.

Any Put Notice or other notice given in accordance with the standard procedures of Euroclear and Clearstream, Luxembourg given by a Holder of any Note pursuant to this paragraph (E) shall be irrevocable except where, prior to the due date of redemption, an Event of Default has occurred and is continuing in which event such Holder, at its option, may elect by notice to the Issuer to withdraw the notice given pursuant to this paragraph (E) and instead to declare such Note forthwith due and payable pursuant to Condition 11 (*Events of Default and Rights of Acceleration*).

(F) *Exercise of Options or Partial Redemption in respect of Definitive Registered Notes*

See Condition 2(D) above for information about the issuance of new Individual Note Certificates in the event of an exercise of an Issuer Call or Investor Put in respect of, or a partial redemption of, a holding of Definitive Registered Notes.

Amount, the Early Redemption Amount in respect of each Note of the Specified Denomination shall be an amount determined by the Calculation Agent which on (i) in the case of redemption other than pursuant to Condition 11 (*Events of Default and Rights of Acceleration*), the second Business Day immediately preceding the due date for the early redemption of such Note, or (ii) in the case of redemption pursuant to Condition 11 (*Events of Default and Rights of Acceleration*), the due date for the early redemption of such Note, represents the fair market value of such Note (taking into account all factors which the Calculation Agent determines to be relevant) less Associated Costs, and provided that no account shall be taken of the financial condition of the Issuer which shall be presumed to be able to perform fully its obligations in respect of the Notes and provided further that, if "Market Value less Associated Costs (90 per cent. floor)" is specified in the applicable Final Terms as the Early Redemption Amount, in no event shall the Early Redemption Amount of each Note (in the case of an Instalment Note, when aggregated with the sum of any Instalment Amounts already paid in respect of such Note) be less than 90 per cent. of the Specified Denomination of such Note (or, in the case of a Partly Paid Note, 90 per cent. of the amount paid up in respect of such Note, or, in the case of a Zero Coupon Note, 90 per cent. of the Amortised Face Amount (as defined in sub-paragraph (c) below) of such Note);

where:

"**RP**" means the Reference Price; and

"**AY**" means the Accrual Yield expressed as a decimal; and

"**y**" is a fraction the numerator of which is equal to the number of days (calculated on the basis of a 360-day year consisting of 12 months of 30 days each) from (and including) the Issue Date of the first Tranche of the Notes to (but excluding) the date fixed for redemption or (as the case may be) the date upon which such Note becomes due and repayable and the denominator of which is 360,

or on such other calculation basis as may be specified in the applicable Final Terms; or

- (d) in the case of a Preference Share Linked Note, in accordance with the definition of "Early Redemption Amount" set out in Annex 15.

Such Notes may be held, reissued, resold or, at the option of the Issuer or (if applicable) the Guarantor, surrendered to any Paying Agent for cancellation.

(M) *Cancellations*

All Notes which are redeemed will forthwith be cancelled. All Notes so cancelled and any Notes purchased and cancelled pursuant to paragraph (L) above shall be forwarded to the Principal Paying Agent and cannot be reissued or resold.

(N) *Late payment on Zero Coupon Notes*

- (a) the date on which all amounts due in respect of such Zero Coupon Note have been paid; and

- (b) five calendar days after the date on which the full amount of the moneys payable in respect of such Zero Coupon Notes has been received by the Principal Paying Agent and notice to that effect has been given to the Noteholders in accordance with Condition 14 (*Notices*).

8. **Currency Substitution and Unavailability**

(A) *Occurrence of a Currency Substitution Event*

In the event that the Issuer and the Calculation Agent, in their discretion, determine that any Relevant Governmental Authority (as defined below) of a country, bloc of countries or other applicable sovereign entity or entities (each, an "**Applicable Jurisdiction**") announces or in any event effects (whether pursuant to legislation enacted for such purpose in the Applicable Jurisdiction, in accordance with or in breach of applicable international treaties, or in any other manner) or (based on any publicly available information which the Issuer and the Calculation Agent reasonably consider relevant) there is a substantial likelihood that it will effect within the next 90 days, the replacement of the lawful currency (the "**Initial Currency**") of an Applicable Jurisdiction with a substitute currency ("**Substitute Currency**") (for the avoidance of doubt, including circumstances in which a country (a "**Departing Country**") within a bloc of countries in a currency union passes legislation (or a Relevant Governmental Authority thereof announces that it will pass legislation or otherwise seeks) to effect or does effect the withdrawal of such Departing Country from the currency bloc and the replacement of the currency of the currency union with another currency as the official currency of the Departing Country) (any such event being a "**Currency Substitution Event**"), and:

- (a) the calculation of amounts to be paid or assets to be delivered under any Note is linked to one or more Reference Item(s), and the currency by which the Reference Item(s) and/or any component(s) thereof is priced, quoted or traded is (or, in the Issuer's reasonable opinion is likely to be), as a result of the Currency Substitution Event, redenominated from the Initial Currency into the Substitute Currency; and/or
- (b) the calculation of amounts to be paid or assets to be delivered under any Note is linked to one or more floating rates of interest based on or related to amounts denominated in the Initial Currency; and/or
- (c) the Hedging Arrangements (as defined below) in respect of any Note have been materially adversely affected by (A) the Currency Substitution Event and/or (B) capital controls or other restrictions imposed by a Relevant Governmental Authority of the Applicable Jurisdiction, and the Hedging Party (as defined below) is unable, after using commercially reasonable efforts, to alter or modify the Hedging Arrangements and/or establish alternate Hedging Arrangements to fully account for the material adverse effect of (A) and/or (B) above,

then, unless otherwise provided in the applicable Final Terms, the Issuer and the Calculation Agent may, in their discretion:

- (x) make such adjustments, as shall be notified to each Holder of the relevant Notes, to the exercise, settlement, valuation, calculation, payment (including the Specified Currency and/or Settlement Currency) and/or any other Terms and

Conditions of the Note as the Issuer determines appropriate to (i) (in all cases other than (c) above) preserve the economic terms of such Notes as of the Issue Date, including, without limitation, making any currency conversion necessary as part of any such adjustment based on the relevant official conversion rate or at an appropriate market rate of exchange determined by the Calculation Agent to be prevailing as of any relevant time and date, or (ii) (in the case of (c) above) account for the material adverse effect on the Hedging Arrangements and in order to effect a commercially reasonable result; or

- (y) redeem such Notes on such day as shall be notified to the relevant Holders at their Early Redemption Amount, which amount shall be the Market Value less Associated Costs (no floor) or the Market Value less Associated Costs (90 per cent. floor) as provided in Condition 7(G) and as specified in the applicable Final Terms.

For the avoidance of doubt, the circumstances and consequences described in this Condition 8 (*Currency Substitution and Unavailability*) and any resulting or alternative adjustments to the exercise, settlement, valuation, calculation, payment and/or any other Terms and Conditions of the Notes will not entitle any Holder of such Notes (A) to any legal remedy, including, without limitation, rescission, repudiation, or renegotiation of the Notes, or (B) to raise any defence or make any claim (including, without limitation, claims of breach, force majeure, frustration of purpose, or impracticability) or any other claim for compensation, damages, or any other relief.

For the purposes of this Condition 8 (*Currency Substitution and Unavailability*):

"Hedging Arrangements" means any purchase, sale, entry into or maintenance of one or more (a) positions or contracts in securities, options, futures, derivatives or foreign exchange or (b) other instruments or arrangements (howsoever described) in order to hedge individually or on a portfolio basis the Issuer's obligations under any Note.

"Hedging Party" means, the Issuer or any of the Issuer's affiliate(s) or any entity (or entities) acting on the Issuer's behalf engaged in any underlying or hedging transactions relating to any Note and/or underlying market measure(s) in respect of the Issuer's obligations under the Note.

"Relevant Governmental Authority" means, in relation to any Applicable Jurisdiction, any de facto or de jure government (or any agency or instrumentality thereof), court, tribunal, administrative or other governmental authority or any other entity (private or public) charged with the regulation of the financial markets (including the central bank) of such Applicable Jurisdiction.

(B) *Unavailability of Currency*

If, at or about the time of payment of any principal of, premium, if any, interest, or any other amounts payable with respect to any Series of Notes, the applicable Specified Currency or Settlement Currency, as applicable, for such Series is not legal tender for the payment of public and private debts in the country that issued such Specified Currency or Settlement Currency at the Issue Date of such Series of Notes or is otherwise unavailable to the Issuer, and such Specified Currency or Settlement Currency has been replaced by another currency that has become legal tender for the payment of public and private debts in such country (a **"Replacement Currency"**), any amount payable pursuant to such Series of Notes may be paid, at the Issuer's option, in the Replacement Currency or in U.S. Dollars, at a rate of exchange which takes into account the conversion, at the rate prevailing on the most recent date on which official conversion rates were quoted or set by the national government or other authority responsible for issuing the Replacement Currency, from the applicable Specified Currency or Settlement Currency to the Replacement Currency or to U.S. Dollars, if applicable, and, if necessary, the conversion of the Replacement Currency into U.S. Dollars at the rate prevailing on the date of such conversion. In this circumstance, the Issuer will appoint a financial institution to act as exchange rate agent for purposes of making the required conversions

in accordance with prevailing market practice and the terms of the applicable Series of Notes and with any applicable arrangements between the Issuer and the exchange rate agent.

With respect to a Series of Notes that is not denominated in U.S. Dollars, if (a) the Specified Currency is unavailable or (b) as a result of current or proposed economic sanctions affecting banks in the country where the Specified Currency is recognised as the lawful currency, countermeasures to such sanctions or changes in the government of such country (each such event, a "**Decreased Availability Event**"), at a time of payment of any principal, premium, if any, interest, or any other amounts payable with respect to such Series of Notes, the availability to the Issuer or Guarantor of such Specified Currency from one or more sources in the international markets previously used by the Issuer or Guarantor for the purpose of such payment has decreased as compared to the availability of such Specified Currency as at the most recent Interest Payment Date immediately preceding the announcement or publicity regarding such Decreased Availability Event (or, in the case of the first Interest Payment Date, as applicable, as compared to the availability of such Specified Currency as at the Issue Date), and in the case of either (a) or (b) such Specified Currency has not been replaced, then, in either such case, the Issuer or Guarantor, as applicable, may satisfy its obligations to holders of such Series of Notes by making the relevant payment of principal, premium, if any, interest, or any other amounts payable with respect to such Series of Notes on the date of payment in U.S. Dollars. The amount of such payment made in U.S. Dollars will be determined by an exchange rate agent to be appointed by the Issuer and/or the Guarantor on the basis of the market exchange rate, such rate being equal to the highest mid-exchange rate quotation in The City of New York received by the exchange rate agent at approximately 11:00 a.m., New York City time, on the second business day preceding the applicable payment date from three recognised foreign exchange dealers for the purchase by the quoting dealer of the Specified Currency for U.S. Dollars for settlement on the applicable payment date in a tradable amount consistent with accepted market practice.

One of the dealers providing quotations may be the exchange rate agent unless the exchange rate agent is an affiliate of the Issuer or the Guarantor. If no mid-exchange rate quotations are available, the exchange rate agent will determine the market exchange rate at its sole discretion in accordance with acceptable market practice and the terms of the applicable Series of Notes and with any applicable arrangements between the Issuer and/or the Guarantor, as applicable and the exchange rate agent.

The above provisions do not apply if the applicable Specified Currency for a Series of Notes is unavailable because it has been replaced by the euro, in which case Condition 4 (*Redenomination*) shall apply with respect to such Series.

Any payment made in U.S. Dollars or an applicable Replacement Currency as described above where the required payment is in an unavailable Specified Currency will not constitute an Event of Default.

The exchange rate agent to be appointed by the Issuer or the Guarantor may be one of the Issuer's or Guarantor's affiliates, and, from time to time after the initial appointment of an exchange rate agent, the Issuer and/or the Guarantor, as applicable, may appoint one or more different exchange rate agents for an applicable Series of Notes without consent from the holders of such Series of Notes and without notifying such holders of the change. The exchange rate agent will determine the applicable rate of exchange that would apply to a payment made in U.S. Dollars or a Replacement Currency in its sole discretion unless the applicable Final Terms state that any such determination requires the Issuer's or the Guarantor's approval. Absent manifest error, those determinations will be final and binding on holders of the applicable Series of Notes, the Principal Agent and the Issuer and Guarantor.

For purposes of this Condition 8(B), unless otherwise specified in the applicable Final Terms, the term "business day" means any weekday that is not a legal holiday in New

York, New York or Charlotte, North Carolina and is not a day on which banking institutions in those cities are authorised or required by law or regulation to be closed.

9. Taxation

The Issuer or (in the case of Notes issued by BofA Finance or (other than Secured Notes) MLBV) the Guarantor will, subject to certain limitations and exceptions (set forth below), pay to a Noteholder who is a United States Alien or (in the case of Notes issued by MLBV) a Netherlands Non-resident (each as defined below) such additional amounts ("**Additional Tax Amounts**") as may be necessary so that every net payment of principal or interest or other amount with respect to the Notes or (in the case of Notes issued by BofA Finance or (other than Secured Notes) MLBV) the Guarantee after deduction or withholding for or on account of any present or future tax, assessment or other governmental charge imposed upon such Noteholder or by reason of the making of such payment, by the United States or the Netherlands (as applicable) or any political subdivision or taxing authority of or in the United States or the Netherlands (as applicable), as the case may be, will not be less than the amount provided for in the Notes or the relevant Guarantee (as applicable) to be then due and payable, as the case may be. Neither the Issuer nor (in the case of Notes issued by BofA Finance or (other than Secured Notes) MLBV) the Guarantor shall be required to make any payment of Additional Tax Amounts for or on account of:

- (a) any tax, assessment or other governmental charge which would not have been imposed but for (i) the existence of any present or former connection between such Noteholder (or between a fiduciary, settlor, beneficiary, member or shareholder of, or possessor of a power over, such Noteholder if such Noteholder is an estate, trust, partnership or corporation) and the United States or the Netherlands (as applicable), as the case may be, including, without limitation, such Noteholder (or such fiduciary, settlor, beneficiary, member, shareholder or possessor) being or having been a citizen or resident or treated as a resident of the United States or the Netherlands (as applicable), as the case may be, or being or having been present or engaged in a trade or business in the United States or the Netherlands (as applicable), as the case may be, or having or having had a permanent establishment in the United States or the Netherlands (as applicable), as the case may be, or (ii) the presentation of a Note for payment on a date more than 15 calendar days after the date on which such payment became due and payable or the date on which payment thereof is duly provided for, whichever occurs later;
- (b) any estate, inheritance, gift, sales, transfer, excise, wealth or personal property or any similar tax, assessment or other governmental charge;
- (c) any tax, assessment or other governmental charge imposed by reason of such Noteholder's past or present status as a personal holding company, foreign personal holding company, passive foreign investment company, private foundation, or other tax-exempt entity, or controlled foreign corporation for United States tax purposes or a corporation which accumulates earnings to avoid United States federal income tax;
- (d) any tax, assessment or other governmental charge which is payable otherwise than by withholding from payments of principal or interest or other amount with respect to the Notes;
- (e) any tax, assessment or other governmental charge imposed as a result of such Noteholder's past or present status as the actual or constructive owner of 10 per cent. or more of the total combined voting power of all classes of stock of the Issuer entitled to vote;
- (f) any tax, assessment or other governmental charge imposed as a result of such Noteholder being a bank receiving payments on an extension of credit made pursuant to a loan agreement entered into in the ordinary course of its trade or business;
- (g) any tax, assessment or other governmental charge which would not have been imposed but for the failure to comply with certification, information or other reporting requirements concerning the nationality, residence, identity or connection with the

United States or the Netherlands (as applicable), as the case may be, of the Noteholder or of the beneficial owner of such Note, if such compliance is required by statute or by Regulation of the U.S. Department of the Treasury or of the relevant Netherlands authority (as applicable), as the case may be, as a precondition to relief or exemption from such tax, assessment or other governmental charge;

- (h) in the case of Notes issued by BAC or BofA Finance, any tax, assessment, or other government charge imposed on a payment of principal or interest (or any other payment) on any Note which is an Index Linked Note, Share Linked Note, GDR/ADR Linked Note, FX Linked Note, Commodity Linked Note, Fund Linked Note, Inflation Linked Note, Credit Linked Note, Preference Share Linked Note or Note linked to other Reference Item(s) and in respect of which the holder may not receive at least 90 per cent. of the Specified Denomination per Note (or, in the case of a Partly Paid Note, 90 per cent. of the amount paid up in respect of such Note or, in the case of a Zero Coupon Note, 90 per cent. of the Amortised Face Amount of such Note);
- (i) any tax, assessment, or governmental charge imposed solely because the payment is to be made by a particular Paying Agent or a particular office of a Paying Agent and would not be imposed if made by another agent or by another office of this agent;
- (j) any tax, assessment, or other governmental charge that is imposed or withheld by reason of the application of Sections 1471 through 1474 of the Code (or any successor provisions), any regulation, pronouncement, or agreement thereunder, official interpretations thereof, or any law implementing an intergovernmental approach thereto, whether currently in effect or as published and amended from time to time, or any intergovernmental agreement entered into in connection with the implementation of such provisions of the Code;
- (k) any tax, assessment, or other governmental charge that is imposed or withheld by reason of the payment being treated as a dividend or "dividend equivalent" for United States tax purposes; or
- (l) any combination of paragraphs (a), (b), (c), (d), (e), (f), (g), (h), (i), (j) and (k) above,

nor shall Additional Tax Amounts be paid to any United States Alien or Netherlands Non-resident (as applicable), as the case may be, which is a fiduciary or partnership or other than the sole beneficial owner of the Note to the extent a beneficiary or settlor with respect to such fiduciary or a member of such partnership or a beneficial owner of the Note would not have been entitled to payment of the Additional Tax Amounts had such beneficiary, settlor, member or beneficial owner been the holder of the Note.

The term "**United States Alien**" means any corporation, partnership, entity, individual, or fiduciary that is for United States federal income tax purposes (1) a foreign corporation, (2) a foreign partnership to the extent one or more of the members of which is, for United States federal income tax purposes, a foreign corporation, a non-resident alien individual, or a foreign estate or trust, (3) a non-resident alien individual, or (4) a foreign estate or trust.

The term "**Netherlands Non-resident**" means any individual, corporation, partnership or any other entity that for Netherlands tax purposes is a non-resident individual, non-resident corporation, non-resident partnership or any other non-resident entity.

10. Prescription

The Notes issued by MLBV will become void unless presented for payment or delivery within a period of ten years (in the case of principal) and five years (in the case of interest) after the Relevant Date (as defined below) therefor.

As used herein, the "**Relevant Date**" means the date on which such payment or delivery first becomes due, except that, if the full amount of any moneys payable has not been duly received by the Principal Paying Agent on or prior to such due date, it means the date on which, the full amount of such moneys having been so received, notice to that effect is duly given to the Noteholders in accordance with Condition 14 (*Notices*).

For Notes issued by BAC and Notes issued by BofA Finance, under New York's statute of limitations generally, any legal action to enforce the payment obligations of the relevant Issuer or, in the case of Notes issued by BAC, delivery obligations, evidenced by such Notes and/or, in the case of Notes issued by BofA Finance, the payment obligations of the Guarantor evidenced by the BofA Finance Guarantee of such Notes must be commenced within six years after payment or, in the case of Notes issued by BAC, delivery, is due. Under New York's statute of limitations generally, the payment or delivery obligations of the Guarantor evidenced by the MLBV/MLICo. Guarantee of MLBV Notes must be commenced within six years after payment or delivery is due. Thereafter, such payment or delivery obligations will generally become unenforceable.

11. Events of Default and Rights of Acceleration

(A) Notes issued by MLBV

The occurrence of one or more of the following events with respect to any Series of Notes issued by MLBV shall constitute an **"Event of Default"** with respect to such Series:

- (a) default shall be made in the payment of any amount of interest due in respect of any such Notes and the default continues for a period of 30 calendar days after the due date; or
- (b) default shall be made in the payment of any principal of any such Notes or in the delivery when due of the Entitlement in respect of any such Notes (in each case whether at maturity or upon redemption or otherwise), and such default continues for a period of 30 calendar days after the due date; or
- (c) MLBV shall fail to perform or observe any other term, covenant or agreement contained in the Terms and Conditions applicable to any of such Notes or in the English Law Agency Agreement for the period of 90 calendar days after the date on which written notice of such failure, requiring MLBV to remedy the same, first shall have been given to the Principal Paying Agent and MLBV by Holders of at least 33 per cent. of the aggregate principal amount of any such Notes outstanding; or
- (d) a court having jurisdiction in the premises shall have entered a decree or order granting relief with respect to MLBV in an involuntary proceeding under any applicable bankruptcy, insolvency or other similar law now or hereafter in effect, or appointing a receiver, liquidator, trustee, assignee, custodian or sequestrator (or similar official) of MLBV of all or substantially all of its property or for the winding up or liquidation of its affairs, and such decree or order shall have remained in force and unstayed for a period of 60 consecutive calendar days; or
- (e) MLBV shall institute proceedings for relief under any applicable bankruptcy, insolvency or any other similar law now or hereafter in effect, or shall consent to the institution of any such proceedings against it, or shall consent to the appointment of a receiver, liquidator, trustee, assignee, custodian or sequestrator (or similar official) of it or of all or substantially all of its property, or shall make an assignment for the benefit of creditors, or shall fail generally to pay its debts as they become due, or shall take any corporate action in furtherance of any of the foregoing; or
- (f) any other events of default specified for a Series of Notes in the Final Terms.

If an Event of Default shall occur and be continuing with respect to any Series of Notes issued by MLBV, then the Holders of at least 33 per cent. in aggregate principal amount of such Notes outstanding may, at their option, declare such Notes to be due and payable immediately at the Early Redemption Amount, together with interest, if any, accrued thereon by written notice to MLBV, the Guarantor (if applicable) and the Principal Paying Agent at its main office in London, and if any such default is not waived in accordance with Condition 11(E) or cured by MLBV or the Guarantor (if applicable), as

the case may be, prior to receipt of such written notice, such Notes shall become and be immediately due and payable at the Early Redemption Amount, together with the interest, if any, accrued on such Notes.

An Event of Default will not occur and there will not be any right to accelerate payment of principal, the interest accrued, or any other amounts then payable thereon (and Additional Tax Amounts, if any) of any Series of Notes of MLBV as a result of a covenant breach by the Guarantor (if applicable).

(B) *Notes issued by BAC*

The occurrence of any of the following events with respect to any Series of Notes issued by BAC shall constitute an "Event of Default" with respect to such Series:

- (a) BAC shall fail to pay the principal amount of any of such Notes or in the delivery of the Entitlement when due whether at maturity or upon early redemption or otherwise, and continuance of such default for a period of 30 calendar days; or
- (b) BAC shall fail to pay any instalment of interest, other amounts payable, or Additional Tax Amounts on any of such Notes for a period of 30 calendar days after the due date; or
- (c) a court having jurisdiction in the premises shall enter a decree or order for relief in respect of BAC in an involuntary case or proceeding under any applicable bankruptcy, insolvency, reorganisation, or other similar law now or hereafter in effect, or appointing a receiver, liquidator, conservator, assignee, custodian, trustee, or sequestrator (or similar official) of BAC or for any substantial part of its property or ordering the winding-up or liquidation of its affairs and such decree or order shall remain unstayed and in effect for a period of 60 consecutive calendar days; or
- (d) BAC shall commence a voluntary case or proceeding under any applicable bankruptcy, insolvency, liquidation, receivership, reorganisation, or other similar law now or hereafter in effect, or shall consent to the entry of an order for relief in an involuntary case under any such law, or shall consent to the appointment of or taking possession by a receiver, liquidator, conservator, assignee, trustee, custodian, or sequestrator (or similar official) of BAC or for any substantial part of its property, or shall make any general assignment for the benefit of creditors, or shall admit in writing its inability to pay its debts as they become due or shall take any corporate action in furtherance of any of the foregoing; or
- (e) any other events of default specified for a Series of Notes in the Final Terms.

If an Event of Default occurs and is continuing with respect to any Series of Notes issued by BAC, then the Noteholders of at least 25.00 per cent. in aggregate principal amount of such Notes outstanding, by written notice to BAC, the Registrar and the Principal Paying Agent, may declare such Notes to be due and payable immediately at the Early Redemption Amount (together with accrued and unpaid interest (if any) to (but excluding) the date of repayment and Additional Tax Amounts (if any) thereon) and if any such Event of Default is not waived, in accordance with Condition 11(E), prior to or shall continue at the time of receipt of such written notice, such amounts shall become immediately due and payable. Upon payment of such amounts, all of BAC's obligations in respect of payment of principal of, interest on, or any other amounts then payable (and Additional Tax Amounts, if any) on such Notes shall terminate. Interest on overdue principal, interest or any other amounts then payable thereon (and Additional Tax Amounts, if any) shall accrue from the date on which such principal, interest or any other amounts then payable (and Additional Tax Amounts, if any) were due and payable to the date such principal, interest or any other amounts payable (and Additional Tax Amounts, if any) are paid or duly provided for, at the rate borne by such Notes (to the extent payment of such interest shall be legally enforceable).

There will not be any right to accelerate payment of principal, the interest accrued, or any other amounts then payable thereon (and Additional Tax Amounts, if any) of any Series of Notes issued by BAC other than as described in the preceding paragraph. In addition, for the avoidance of doubt, unless otherwise specified in the Final Terms and, unless contemplated by Condition 11(B)(a) or Condition 11(B)(b) and the preceding paragraph with respect to a Series of Notes issued by BAC, there shall not be any right to accelerate payment of principal, the interest accrued, or any other amounts then payable thereon (and Additional Tax Amounts, if any) of any Series of Notes issued by BAC as a result of the failure on the part of BAC to observe or perform any covenants or agreements on the part of BAC contained in such Series of Notes or the Agency Agreement. Further, for the avoidance of doubt, if an Event of Default as described in Condition 11(B)(e) is specified in the Final Terms for a Series of Notes issued by BAC, there will be no right to accelerate payment of principal, the interest accrued, or any other amounts then payable thereon (and Additional Tax Amounts, if any) of such Series of Notes on the terms described in the preceding paragraph unless such acceleration rights are granted specifically in the Final Terms for such Series of Notes.

(C) *Notes issued by BofA Finance*

The occurrence of any of the following events with respect to any Series of Notes issued by BofA Finance shall constitute an "Event of Default" with respect to such Series:

- (a) BofA Finance shall fail to pay the principal amount of any of such Notes when due whether at maturity or upon early redemption or otherwise, and continuance of such default for a period of 30 calendar days; or
- (b) BofA Finance shall fail to pay any instalment of interest, other amounts payable, or Additional Tax Amounts on any of such Notes for a period of 30 calendar days after the due date; or
- (c) a court having jurisdiction in the premises shall enter a decree or order for relief in respect of BofA Finance in an involuntary case or proceeding under any applicable bankruptcy, insolvency, reorganisation, or other similar law now or hereafter in effect, or appointing a receiver, liquidator, conservator, assignee, custodian, trustee, or sequestrator (or similar official) of BofA Finance or for any substantial part of its property or ordering the winding-up or liquidation of its affairs and such decree or order shall remain unstayed and in effect for a period of 60 consecutive calendar days; or
- (d) BofA Finance shall commence a voluntary case or proceeding under any applicable bankruptcy, insolvency, liquidation, receivership, reorganisation, or other similar law now or hereafter in effect, or shall consent to the entry of an order for relief in an involuntary case under any such law, or shall consent to the appointment of or taking possession by a receiver, liquidator, conservator, assignee, trustee, custodian, or sequestrator (or similar official) of BofA Finance or for any substantial part of its property, or shall make any general assignment for the benefit of creditors, or shall admit in writing its inability to pay its debts as they become due or shall take any corporate action in furtherance of any of the foregoing; or
- (e) any other events of default specified for a Series of Notes in the Final Terms.

If an Event of Default occurs and is continuing with respect to any Series of Notes issued by BofA Finance, then the Noteholders of at least 33.00 per cent. in aggregate principal amount of such Notes outstanding, by written notice to BofA Finance, the Guarantor, the Registrar and the Principal Paying Agent, may declare such Notes to be due and payable immediately at the Early Redemption Amount (together with accrued and unpaid interest (if any) to (but excluding) the date of repayment and Additional Tax Amounts (if any) thereon) and if any such Event of Default is not waived, in accordance with Condition 11(E), or cured by BofA Finance or the Guarantor, prior to or shall continue at the time

of receipt of such written notice, such amounts shall become immediately due and payable. Upon payment of such amounts, all of BofA Finance's obligations in respect of payment of principal of, interest on, or any other amounts then payable (and Additional Tax Amounts, if any) on such Notes shall terminate. Interest on overdue principal, interest or any other amounts then payable thereon (and Additional Tax Amounts, if any) shall accrue from the date on which such principal, interest or any other amounts then payable (and Additional Tax Amounts, if any) were due and payable to the date such principal, interest or any other amounts payable (and Additional Tax Amounts, if any) are paid or duly provided for, at the rate borne by such Notes (to the extent payment of such interest shall be legally enforceable).

An Event of Default will not occur and there will not be any right to accelerate payment of principal, the interest accrued, or any other amounts then payable thereon (and Additional Tax Amounts, if any) of any Series of Notes of BofA Finance as a result of a covenant breach by the Guarantor.

- (D) At any time after any Series of Notes has become due and payable following a declaration of acceleration made in accordance with this Condition 11 and before a judgment or decree for payment of the money due with respect to such Notes has been obtained by any Noteholder of such Notes, such declaration and its consequences may be rescinded and annulled upon the written consent of Noteholders of a majority in aggregate principal amount of such Notes then outstanding, or by resolution adopted by a majority in aggregate principal amount of such Notes outstanding present or represented at a meeting of Noteholders of such Notes at which a quorum is present, as provided in the applicable Agency Agreement, if:
- (i) (A) the Issuer has paid, or has deposited with the relevant clearing system, a sum sufficient to pay:
 - (1) all overdue amounts of interest on such Notes;
 - (2) the principal of such Notes which has become due otherwise than by such declaration of acceleration; or
 - (B) in the case of Notes to be redeemed by physical delivery, the Issuer has delivered the relevant assets to any agent appointed by the Issuer to deliver such assets to the Noteholders; and
 - (ii) all Events of Default with respect to such Notes, other than the non-payment of the principal of such Notes which has become due solely by such declaration of acceleration, have been cured or waived as provided in Condition 11(E) below.

No such rescission shall affect any subsequent default or impair any right consequent thereon.

- (E) Any default by the Issuer or (in the case of Notes issued by BofA Finance or (other than Secured Notes) MLBV) the Guarantor, other than the events described in Condition 11(A)(a), Condition 11(A)(b), Condition 11(B)(a) or Condition 11(B)(b), or Condition 11(C)(a) or Condition 11(C)(b) may be waived by the written consent of Noteholders of a majority in aggregate principal amount of such Notes then outstanding affected thereby, or by resolution adopted by a majority in aggregate principal amount of such Notes then outstanding present or represented at a meeting of Noteholders of such Notes affected thereby at which a quorum is present, as provided in the applicable Agency Agreement. Upon any such waiver, such default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured, for every purpose of the applicable Agency Agreement, but no such waiver shall extend to any subsequent or other default or impair any right consequent thereon.

12. Replacement of Notes

Should any Note be lost, stolen, mutilated, defaced or destroyed, it may be replaced at the specified office of the Principal Paying Agent upon payment by the claimant of such costs and

expenses as may be incurred in connection therewith and on such terms as to evidence and indemnity as the Issuer may reasonably require. Mutilated or defaced Notes must be surrendered before replacements will be issued.

13. Paying Agents, Registrar and Calculation Agent

(A) *Paying Agents and Registrar*

The names of the initial Paying Agent and the Registrar and their initial specified offices are as set out at the end of these Terms and Conditions.

The Issuer and (in the case of Notes issued by BofA Finance or (other than Secured Notes) MLB) the Guarantor are entitled to vary or terminate the appointment of any Paying Agent or the Registrar and/or appoint additional or other Paying Agents or Registrars and/or approve any change in the specified office through which any Paying Agent or Registrar acts, provided that:

- (a) there will at all times be a Principal Paying Agent and a Registrar (which, in the case of the Registrar, shall be an entity with a specified office outside the United Kingdom);
- (b) so long as the Notes are listed on any stock exchange or admitted to listing by any other relevant authority, there will at all times be a Paying Agent, which may be the Principal Paying Agent, with a specified office in such place as may be required by the rules and regulations of the relevant stock exchange or other relevant authority;
- (c) there will at all times be a Paying Agent (which may be the Principal Paying Agent) in a jurisdiction within Europe other than any jurisdiction in which the Issuer, or, in the case of Notes issued by BofA Finance or (other than Secured Notes) MLB, the Guarantor, is incorporated; and
- (d) there shall at all times be a Calculation Agent.

Notice of any variation, termination, appointment or change in the Paying Agents or the Registrar will be given to the Noteholders in accordance with Condition 14 (*Notices*) provided that any failure to give, or non-receipt of, such notice will not affect the validity of any such variation, termination or changes.

In acting under the applicable Agency Agreement, the Paying Agents and the Registrar act solely as agents of the Issuer and (in the case of Notes issued by BofA Finance or (other than Secured Notes) MLB) the Guarantor and do not assume any obligation to, or relationship of agency or trust with, any Noteholders. The applicable Agency Agreement contains provisions permitting any entity into which any Paying Agent or the Registrar is merged or converted or with which it is consolidated or to which it transfers all or substantially all of its assets to become the successor paying agent or registrar, as applicable.

(B) *Calculation Agent*

Until such time as any Individual Note Certificates are issued, there may, so long as any Global Notes representing the Notes are held in their entirety on behalf of Euroclear and/or Clearstream, Luxembourg, as the case may be, be substituted for such publication in such newspaper(s) (as described in Condition 14(b)) the delivery of the relevant notice to Euroclear and/or Clearstream, Luxembourg, as applicable for communication by them to the Holders of the Notes and, in addition, for so long as any Notes are listed on a stock exchange or are admitted to trading by another relevant authority and the rules of that stock exchange or relevant authority so require, such notice will be published in a daily newspaper of general circulation in the place or places required by those rules. Any such notice shall be deemed to have been given to the Holders of the Notes on the day on which such notice was given to Euroclear and/or Clearstream, Luxembourg, as applicable.

Notices to be given by any Noteholder shall be in writing and given by lodging the same, together with, in the case of Definitive Registered Notes, the related Individual Note Certificate (if applicable), with the Principal Paying Agent. Whilst any of the Notes are represented by a Global Note, such notice may be given by any holder of a Note to the Principal Paying Agent through Euroclear and/or Clearstream, Luxembourg, as the case may be, in such manner as the Principal Paying Agent and Euroclear and/or Clearstream, Luxembourg, as the case may be, may approve for this purpose.

An Extraordinary Resolution may also be effected in writing signed or electronically approved using the systems and procedures in place from time to time of a relevant clearing system by or on behalf of all the Noteholders.

(b) *Notes issued by MLB*

In the case of Notes issued by MLB, such a meeting may be convened by MLB or the Guarantor (if applicable) and shall be convened by MLB or the Guarantor (if applicable) if required in writing by the Noteholders holding not less than 33 per cent. in nominal amount of the Notes of the affected Series for the time being outstanding. 16. Further Issues

The Issuer shall be at liberty from time to time without the consent of the Noteholders to create and issue further notes having terms and conditions the same as the Notes or the same in all respects save for the amount and date of the first payment of interest thereon and so that the same shall be consolidated and form a single Series with the outstanding Notes.

If the Issuer issues further Notes of the same Series during the initial 40-day restricted period applicable to the outstanding Notes of such Series, then such 40-day period will be extended until 40 calendar days after the later of the commencement of the offering of such further issue of Notes and the Issue Date of such further issue of Notes. In addition, if the Issuer issues further Notes of the same Series after the expiration of the 40-day restricted period, a new 40-day restricted period will be applied to such further issue of Notes without applying to the outstanding Notes. After the expiration of the new 40-day restricted period, all such Notes will be consolidated with and form a single Series with the outstanding Notes.

ANNEX 8

ADDITIONAL TERMS AND CONDITIONS FOR INFLATION LINKED INSTRUMENTS

1. Interpretation

If specified as applicable in the applicable Final Terms, the terms and conditions applicable to Inflation Linked Notes shall comprise the terms and conditions of the Notes (the "**Note Conditions**") and the Additional Terms and Conditions for Inflation Linked Instruments set out below (the "**Inflation Linked Conditions**"), in each case subject to completion and/or amendment in the applicable Final Terms. The terms and conditions applicable to Inflation Linked W&C Instruments shall comprise the terms and conditions of the W&C Instruments (the "**W&C Instruments Conditions**") and the Inflation Linked Conditions, in each case subject to completion and/or amendment in the applicable Final Terms. In the event of any inconsistency between the Note Conditions, in the case of Notes, or the W&C Instruments Conditions, in the case of W&C Instruments, and the Inflation Linked Conditions, the Inflation Linked Conditions shall prevail. In the event of any inconsistency between (a) the Note Conditions or the W&C Instruments Conditions and/or the Inflation Linked Conditions and (b) the applicable Final Terms, the applicable Final Terms shall prevail. References in the Inflation Linked Conditions to "Instrument" and "Instruments" shall be deemed to be references to "Note" and "Notes" or "W&C Instrument" and "W&C Instruments" as the context admits.

2. Definitions

For the purpose of the Inflation Linked Instruments:

"Cut-Off Date" means, in respect of a Determination Date, five Business Days prior to such Determination Date, unless otherwise stated in the applicable Final Terms.

"Delayed Index Level Event" means, in respect of any Determination Date and an Inflation Index, that the relevant Inflation Index Sponsor fails to publish or announce the level of such Inflation Index (the "**Relevant Level**") in respect of any Reference Month which is to be utilised in any calculation or determination to be made by the Issuer in respect of such Determination Date, at any time on or prior to the Cut-Off Date.

"Determination Date" means each date specified as such in the applicable Final Terms.

"End Date" means each date specified as such in the applicable Final Terms.

"Fallback Bond" means, in respect of an Inflation Index, a bond selected by the Calculation Agent and issued by the government of the country to whose level of inflation the relevant Inflation Index relates, and which pays a coupon or redemption amount which is calculated by reference to such Inflation Index, with a maturity date which falls on (a) the same day as the End Date as specified in the applicable Final Terms, (b) the next longest maturity after the End Date if there is no such bond maturing on the End Date, or (c) the next shortest maturity before the End Date if no bond defined in (a) or (b) is selected by the Calculation Agent. If the relevant Inflation Index relates to the level of inflation across the European Monetary Union, the Calculation Agent will select an inflation-linked bond that is a debt obligation of one of the governments (but not any government agency) of France, Italy, Germany or Spain and which pays a coupon or redemption amount which is calculated by reference to the level of inflation in the European Monetary Union. In each case, the Calculation Agent will select the Fallback Bond from those inflation linked bonds issued on or before the Issue Date and, if there is more than one inflation-linked bond maturing on the same date, the Fallback Bond shall be selected by the Calculation Agent from those bonds. If the Fallback Bond redeems, the Calculation Agent will select a new Fallback Bond on the same basis, but selected from all eligible bonds in issue at the time the original Fallback Bond redeems (including any bond for which the redeemed bond is exchanged).

"Inflation Index" means each inflation index specified in the applicable Final Terms and related expressions shall be construed accordingly.

"Inflation Index Sponsor" means, in relation to an Inflation Index, the entity that publishes or announces (directly or through an agent) the level of such Inflation Index which, as of the Issue Date, is the Inflation Index Sponsor specified in the applicable Final Terms.

"Reference Month" means the calendar month for which the level of the Inflation Index was reported, regardless of when this information is published or announced. If the period for which the level of the Inflation Index was reported is a period other than a month, the Reference Month shall be the period for which the level of the Inflation Index was reported.

"Related Bond" means, in respect of an Inflation Index, the bond specified as such in the applicable Final Terms. If the Related Bond specified in the applicable Final Terms is "Fallback Bond", then, for any Related Bond determination, the Calculation Agent shall use the Fallback Bond. If no bond is specified in the applicable Final Terms as the Related Bond and "Fallback Bond: Not Applicable" is specified in the applicable Final Terms there will be no Related Bond. If a bond is selected as the Related Bond in the applicable Final Terms and that bond redeems or matures before the End Date, unless "Fallback Bond: Not Applicable" is specified in the applicable Final Terms, the Calculation Agent shall use the Fallback Bond for any Related Bond determination.

3. Inflation Index Adjustments

(a) Delay in Publication

Subject to Inflation Linked Condition 3(b), if the Calculation Agent determines that a Delayed Index Level Event in respect of an Inflation Index has occurred with respect to any Determination Date, then the Relevant Level for such Inflation Index the subject of such Delayed Index Level Event (the **"Substitute Index Level"**) shall be determined by the Calculation Agent as follows:

- (i) if Related Bond is specified as applicable for such Inflation Index in the applicable Final Terms, the Calculation Agent shall determine the Substitute Index Level by reference to the corresponding index level determined under the terms and conditions of the relevant Related Bond; or
- (ii) if (A) Related Bond is not specified as applicable for such Inflation Index in the applicable Final Terms, or (B) the Calculation Agent is not able to determine a Substitute Index Level under (i) above, the Calculation Agent shall determine the Substitute Index Level by reference to the following formula:

$$\text{Substitute Index Level} = \text{Base Level} \times (\text{Latest Level}/\text{Reference Level})$$

where:

"Base Level" means, in respect of an Inflation Index, the level of such Inflation Index (excluding any "flash" estimates) published or announced by the relevant Inflation Index Sponsor in respect of the month which is 12 calendar months prior to the month for which the Substitute Index Level is being determined.

"Latest Level" means, in respect of an Inflation Index, the latest level of such Inflation Index (excluding any "flash" estimates) published or announced by the relevant Inflation Index Sponsor prior to the month in respect of which the Substitute Index Level is being determined.

"Reference Level" means, in respect of an Inflation Index, the level of such Inflation Index (excluding any "flash" estimates) published or announced by the relevant Inflation Index Sponsor in respect of the month that is 12 calendar months prior to the month in respect of the Latest Level.

The Issuer shall give notice to Holders in accordance with Note Condition 14, or W&C Instruments Condition 12, as applicable, of any Substitute Index Level calculated pursuant to this Inflation Linked Condition 3.

(b) Cessation of Publication

If a level for the Inflation Index has not been published or announced for two consecutive months or the Inflation Index Sponsor announces that it will no longer continue to publish or announce the Inflation Index then the Calculation Agent shall determine a successor index (in lieu of any previously applicable Inflation Index) for the purposes of the Inflation Linked Instruments by using the following methodology:

- (i) if, at any time, a successor index has been designated by the Calculation Agent pursuant to the terms and conditions of the Related Bond, such successor index shall be designated a "Successor Index" notwithstanding that any other Successor Index may previously have been determined under paragraphs (ii), (iii) or (iv) below; or
- (ii) if a Successor Index has not been determined pursuant to Inflation Linked Condition 3(b)(i) and a notice has been given or an announcement has been made by the Inflation Index Sponsor, specifying that the Inflation Index will be superseded by a replacement Inflation Index specified by the Inflation Index Sponsor, and the Calculation Agent determines that such replacement index is calculated using the same or substantially similar formula or method of calculation as used in the calculation of the previously applicable Inflation Index, such replacement index shall be the Inflation Index for purposes of the Inflation Linked Instruments from the date that such replacement Inflation Index comes into effect; or
- (iii) if a Successor Index has not been determined pursuant to Inflation Linked Condition 3(b)(i) or Inflation Linked Condition 3(b)(ii), the Calculation Agent shall ask five leading independent dealers to state what the replacement index for the Inflation Index should be. If between four and five responses are received, and of those four or five responses, three or more leading independent dealers state the same index, this index will be deemed the "Successor Inflation Index". If three responses are received, and two or more leading independent dealers state the same index, this index will be deemed the "Successor Inflation Index". If fewer than three responses are received, the Calculation Agent will proceed to Inflation Linked Condition 3(b)(iv); or
- (iv) if no replacement index or Successor Inflation Index has been deemed under Inflation Linked Conditions 3(b)(i), 3(b)(ii) or 3(b)(iii), by the next occurring Cut-Off Date the Calculation Agent will determine an appropriate alternative index from such Cut-Off Date, and such index will be deemed a "Successor Inflation Index"; or
- (v) (A) if the Calculation Agent determines that there is no appropriate alternative index, in relation to Notes, the Issuer shall give notice to the Holders in accordance with Note Condition 14 and redeem all (but not less than all) of the Notes, each nominal amount of Notes equal to the Calculation Amount being redeemed at the Early Redemption Amount; or
- (B) in relation to W&C Instruments, the Issuer shall give notice to the Holders in accordance with W&C Instruments Condition 12 and cancel the W&C Instruments. If the W&C Instruments are so cancelled the Issuer will pay an amount to each Holder in respect of each W&C Instrument or Unit, as the case may be, held by him which amount shall be the fair market value of a W&C Instrument or a Unit, as the case may be, less the cost to the Issuer and/or any of its Affiliates or agents of unwinding any underlying related hedging arrangements (including any cost of funding in respect of such hedging arrangements), all as determined by the Calculation Agent in its sole and absolute discretion. Payments will be made in such manner as shall be notified to the Holders in accordance with W&C Instruments Condition 12.

(c) Rebasing of the Inflation Index

If the Calculation Agent determines that the Inflation Index has been or will be rebased at any time, the Inflation Index as so rebased (the "**Rebased Index**") will be used for purposes of determining the level of the Inflation Index from the date of such rebasing; provided, however, that the Calculation Agent shall make adjustments as are made by the calculation agent pursuant to the terms and conditions of the Related Bond, if Related Bond is specified as applicable in the applicable Final Terms, to the levels of the Rebased Index so that the Rebased Index levels reflect the same rate of inflation as the Inflation Index before it was rebased, or, if Related Bond is not specified as applicable in the applicable Final Terms the Calculation Agent shall make adjustments to the levels of the Rebased Index so that the Rebased Index levels reflect the same rate of inflation as the Inflation Index before it was rebased.

(d) Material Modification Prior to Last Occurring Cut-Off

If, on or prior to the last occurring Cut-Off Date, the Inflation Index Sponsor announces that it will make a material change to the Inflation Index then the Calculation Agent shall make any such adjustments, if Related Bond is specified as applicable in the applicable Final Terms, consistent with adjustments made to the Related Bond, or, if Related Bond is not specified as applicable in the applicable Final Terms, only those adjustments to the Inflation Index necessary for the modified Inflation Index to continue as the Inflation Index.

Financial Consequences to Unsecured Debtholders of Single Point of Entry Resolution Strategy

BAC is subject to the TLAC Rules, which aim to improve the resiliency and resolvability of U.S. global systemically important bank holding companies ("**covered BHCs**"), including BAC, in the event of failure or material financial distress. The TLAC Rules include the requirement that each covered BHC maintain a minimum amount of eligible LTD and other loss-absorbing capacity. The eligible LTD would absorb the covered BHC's losses, following the depletion of its equity, upon its entry into a resolution proceeding under the U.S. Bankruptcy Code or a resolution proceeding administered by the FDIC under Title II of the Financial Reform Act.

Under Title I of the Financial Reform Act, BAC is required by the Federal Reserve Board and the FDIC to periodically submit a plan for a rapid and orderly resolution under the U.S. Bankruptcy Code in the event of material financial distress or failure. BAC's preferred resolution strategy under this plan is its SPOE strategy under which only BAC (excluding its consolidated subsidiaries) would enter bankruptcy proceedings. Under this strategy, and pursuant to existing intercompany arrangements by which BAC has transferred most of its assets to a wholly-owned holding company subsidiary, which holds the equity interests in BAC's key operating subsidiaries, BAC would contribute its remaining financial assets, less a holdback to cover its bankruptcy expenses, to this wholly-owned holding company subsidiary prior to filing for bankruptcy. BAC would then file for bankruptcy under Chapter 11 of the U.S. Bankruptcy Code. Pursuant to an order from the bankruptcy court under section 363 of the Bankruptcy Code, BAC, as debtor-in-possession, would transfer its subsidiaries to a newly-formed entity ("**NewCo**") that would be held in trust for the sole and exclusive benefit of BAC's bankruptcy estate.

Under BAC's SPOE resolution strategy, the obligations of BAC on its unsecured debt, including the BAC Notes, would not be assumed by NewCo; instead, the claims on such obligations would be left behind in the bankruptcy proceeding. After the transferred subsidiaries were stabilised, NewCo's residual value in the form of shares or proceeds from the sale of shares would be distributed to the holders of claims against the bankruptcy estate in accordance with the priority of their claims, including to holders of BAC's debt securities.

In 2013, the FDIC issued a notice describing its similar preferred "single point of entry" recapitalisation model for resolving a global systemically important banking group, such as BAC, under Title II of the Financial Reform Act. Under Title II, when a covered BHC is in default or danger of default, the FDIC may be appointed receiver in order to conduct an orderly liquidation of such institution as an alternative

to resolution of the entity under the U.S. Bankruptcy Code if the U.S. Secretary of the Treasury makes certain financial distress and systemic risk determinations. Pursuant to the single point of entry recapitalisation model, the FDIC would use its power to create a "bridge entity" for the covered BHC; transfer the systemically important and viable parts of the covered BHC's business to the bridge entity; recapitalise those subsidiaries using assets of the covered BHC that have been transferred to the bridge entity; and exchange external debt claims against the covered BHC, including claims of holders of BAC debt securities and other unsecured debt, for equity in the bridge entity. This strategy would allow operating subsidiaries of the covered BHC to continue to operate and impose losses on stockholders and creditors of the covered BHC, including the holders of the BAC Notes and the Guarantees.

Ratings

As at the date of this Prospectus, BAC's long-term senior debt is rated A1 (Stable) by Moody's Investors Service, Inc., A- (Stable) by Standard & Poor's Financial Services LLC and AA- (Stable) by Fitch Ratings, Inc. Credit ratings and outlooks may be adjusted over time, and so there is no assurance that these credit ratings and outlooks will be effective after the date of this Prospectus. A credit rating is not a recommendation to buy, sell or hold any Instruments.

ERISA MATTERS

Any discussion of United States federal tax issues set forth in this Prospectus was written in connection with the promotion and marketing of the Instruments by MLBV, BAC and the Dealer. Such discussion was not intended or written to be legal or tax advice to any person and was not intended or written to be used, and it cannot be used, by any person for the purpose of avoiding any United States federal tax penalties that may be imposed on such person. Each person considering an investment in the Instruments should seek advice based on its particular circumstances from an independent tax advisor.

BAC and certain affiliates of BAC may each be considered a "party in interest" within the meaning of the U.S. Employee Retirement Income Security Act of 1974, as amended ("**ERISA**"), or a "disqualified person" within the meaning of the Code with respect to employee benefit plans subject to Section 406 of ERISA and individual retirement accounts, Keoghs and other plans subject to Section 4975 of the Code (collectively, "**Covered Plans**"), or to have a similar relationship with governmental, church or non-U.S. plans that are subject to U.S. federal, state, local or non-U.S. laws that are substantially similar to Section 406 of ERISA or Section 4975 of the Code (collectively, "**Other Plans**"). Certain transactions between such a Covered Plan and a party in interest or disqualified person may result in "prohibited transactions" within the meaning of ERISA and the Code, and certain transactions between an Other Plan and a person with a similar relationship to an Other Plan may be similarly prohibited under other U.S. federal, state, local or non-U.S. laws, unless such transactions are effected pursuant to an applicable exemption.

In addition, certain regulatory requirements applicable under ERISA could cause investments by a Covered Plan in the Instruments (whether directly or indirectly) to be deemed to include not only the purchased Instruments but also an undivided interest in each of the underlying assets of the Issuer. In the absence of an applicable exception to this general rule, the Issuer could be considered to hold assets of the investing Covered Plan ("**plan assets**") such that the Issuer and persons providing services in connection with such plan assets might be considered "parties in interest" or "disqualified persons" with respect to the investing Covered Plan and could be governed by the fiduciary responsibility provisions of Title I of ERISA and subject to the prohibited transaction provisions referenced above. If this were the case, certain actions taken by the Issuer or service provider regarding those plan assets could be deemed to be a breach of such Issuer's or service provider's fiduciary obligations under Title I of ERISA or a prohibited transaction under ERISA or the Code. Similarly, investments by an Other Plan in the Instruments (whether directly or indirectly) may cause the Issuer to be considered to hold assets of the investing Other Plan pursuant to other U.S. federal, state, local or non-U.S. laws and subject the Issuer and persons providing services in connection with such assets to similar fiduciary and prohibited transaction requirements pursuant to such laws.

Under ERISA and various prohibited transaction class exemptions ("**PTCEs**") issued by the U.S. Department of Labor, exemptive relief may be available for direct or indirect prohibited transactions resulting from the purchase, holding or disposition of the Instruments by or on behalf of, or with the plan assets of, Covered Plans. Those exemptions include PTCE 96-23 (for certain transactions determined by in-house asset managers), PTCE 95-60 (for certain transactions involving insurance company general accounts), PTCE 91-38 (for certain transactions involving bank collective investment funds), PTCE 90-1 (for certain transactions involving insurance company pooled separate accounts), and PTCE 84-14 (for certain transactions determined by independent qualified professional asset managers). In addition, Section 408(b)(17) of ERISA and Section 4975(d)(20) of the Code provide statutory exemptive relief for certain arm's-length transactions with a person that is a party in interest solely by reason of providing services to employee benefit plans or being an affiliate of such a service provider. There may be similar exemptive relief under other U.S. federal, state, local or non-U.S. laws for transactions by or on behalf of, or with the assets of, Other Plans.

Because BAC and certain of its affiliates may be considered a party in interest or disqualified person with respect to many Covered Plans, or a person with a similar relationship to many Other Plans, the Instruments may not be purchased, held or disposed of by any Covered Plan or Other Plan, any entity whose underlying assets include plan assets by reason of any Covered Plan's investment in the entity or assets of an Other Plan by reason of any Other Plan's investment in the entity, or any person investing on behalf of or with plan assets of any Covered Plan or on behalf of or with assets of any Other Plan, unless such purchase, holding or disposition is eligible for statutory or administrative exemptive relief or such purchase, holding or disposition is otherwise not prohibited. Any purchaser, including any fiduciary purchasing on behalf of a Covered Plan or Other Plan, transferee or holder of the Instruments will be

deemed to have represented, in its corporate and its fiduciary capacity, by its purchase and holding of the securities that either (a) it is not a Covered Plan or Other Plan or an entity whose underlying assets include plan assets by reason of any Covered Plan's investment in the entity or an entity whose underlying assets include assets of an Other Plan by reason of any Other Plan's investment in the entity, and is not purchasing such securities on behalf of or with plan assets of any Covered Plan or on behalf of or with any assets of an Other Plan; or (b) its purchase, holding and disposition are eligible for exemptive relief or such purchase, holding and disposition are not prohibited by ERISA or Section 4975 of the Code (or in the case of an Other Plan any substantially similar U.S. federal, state, local or non-U.S. law). In addition, any acquisition, purchase or holding of the Instruments by or on behalf of any Covered Plan or Other Plan, or with the plan assets of any Covered Plan or assets of any Other Plan, may be conditioned on BAC and the Issuer's obtaining comfort to its or their satisfaction that such acquisition, purchase or holding will not cause any assets of the Issuer to be treated as plan assets for the purposes of ERISA or any regulation or other guidance thereunder (or in the case of an Other Plan, as assets of the Other Plan under any other U.S. federal, state, local or non-U.S. law).

A fiduciary purchasing Instruments on behalf of or with plan assets of any Covered Plan should determine whether the investment is in accordance with the documents and instruments governing the plan and the applicable provisions of ERISA and the Code relating to a fiduciary's duties to the plan including, without limitation, the prudence, diversification, delegation of control and prohibited transaction provisions of ERISA and the Code. A person purchasing Instruments on behalf of or with assets of an Other Plan should make the same determination in light of any U.S. federal, state, local or non-U.S. laws applicable to such plan. Due to the complexity of the rules discussed in this section and the penalties that may be imposed upon persons involved in fiduciary breaches or non-exempt prohibited transactions, it is particularly important that fiduciaries or other persons considering purchasing Instruments on behalf of or with plan assets of any Covered Plan (or on behalf of or with assets of any Other Plan) consult with their legal and tax counsel regarding the potential consequences of the investment and the availability of exemptive relief. In this regard, each purchaser, subsequent transferee and holder of any Instrument hereunder will be deemed to make certain representations. See "Notice to Purchasers and Holders of Instruments and Transfer Restrictions". In addition, any purchaser, including any fiduciary purchasing on behalf of a Covered Plan or Other Plan, transferee or holder of the Instruments will be deemed to have represented, in its corporate and its fiduciary capacity, by its purchase and holding of the securities that none of the Issuer or any of its affiliates are or will be deemed to be a fiduciary (under Section 3(21) of ERISA or under any similar laws) with respect to the decision to acquire, hold or dispose of the Instruments and that none of the Issuer or any of its affiliates is undertaking to provide investment advice or give advice in a fiduciary capacity with respect to such decision.
